LOOKING FOR SOMETHING?

Index: pages 198–202

Web Ordering Information: page 202

Store Hours & Location: page 203

International Information: page 204

Order Forms: pages 205–208

Fairlane/Torino Enthusiasts,

Head turner.

No, that's not the name of an actress from the '50s; it's what you want your classic ride to become. Washing & waxing just doesn't cut it anymore. The "shiny stuff" has lost some of its luster. You have to pull the window up with one hand while you crank it with the other. You know what we're talking about. But don't worry; you're holding the answer to all your restoration questions. This newest MAC's catalog is one of the most complete catalogs of 1962–71 Fairlane & Torino parts in the world.

Our fully rebuilt website macsautoparts.com offers extremely simple ordering, as well as daily part & price updates. You can also register for free & exclusive email deals on our site. In addition to online ordering, you can fax or mail your order using an order form (found on pages 206 & 208 of this catalog), or call toll free 800-777-0948 to speak with one of our dedicated staff members.

Visit our showroom at 6150 Donner Road in Lockport, New York (minutes from Buffalo), 8 a.m.–5:30 p.m. Monday–Friday, or 8 a.m.–12:30 p.m. on Saturday. You can check out some classic cars, pick up your order, or just say hello.

When it comes to restoring & maintaining your classic Fairlane or Torino, we know you have choices, so we thank you for choosing MAC's: your one stop source for quality parts & accessories for your 1909–1970s Ford & Mercury,

Rick & Randy McIntosh
& the staff of MAC's Antique Auto Parts

Icon Descriptions

We have added these icons throughout our catalog where necessary to denote any additional information you need about our parts. We want your ordering experience with us to be as pleasant as possible.

These hot deals have been designed to save you money on combinations of parts often needed to complete a repair!

These items are new to this year's catalog.

Because of size or weight, the freight charges will be higher on these items.

Because of size or weight, these items can only be shipped by truck.

Our resident expert, Mac, offers helpful hints & sound advice.

How To Use This Catalog

These page headers tell you which area of your car the parts on the page are for.

DOOR PARTS

Door Latch Reinforcements

Finally! A simple solution to those cracked screw holes. Special countersunk reinforcement with self-locking screws provides an inexpensive looking solution to this all too common problem.

66-71 Set, made with special door washers & self-locking screws

These sub-headers tell you which specific parts are listed below it.

This italicized text is technical information about the parts listed below it.

This is the order of our listings:

Years of Application	Part Description	Part Number	Price
1962	Die cast, chrome, sold individually (2 or 4 required)	C1VB-5721850-A	7.95
1962	Black rubber, sold in pairs (1 or 2 required)		

Numbers in parentheses & italics are the recommended number required.

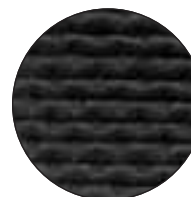

SEAT COVERS

Dress up your interior with a set of MAC's seat covers! We offer only top quality, USA-made, all vinyl seat covers sewn to factory correct patterns available in many original solid & two-tone colors. Authentic factory-style stitching, piping & heat-stamped patterns make your seats look like they did on the dealer's showroom floor so long ago. All the colors available are shown on this page or call & order a FREE color sample card. Get going now & order the correct seat upholstery for your car today!

- Correct stitching as original
- Authentic piping, just like that used by Ford
- Faithfully reproduced colors, patterns & textures
- Heat stamped patterns, as original

Seat Foam, Front Buckets (2 required)

1964	Seat foam set, molded, includes one cushion & one backrest, made in the USA.	U5SF64	149.95 set
------	--	--------	------------

Installing these correct factory-type seat covers requires skill, experience & a few special tools. Some hobbyists are indeed able to satisfactorily install their own, but for best results, we recommend that these quality seat covers be taken to an experienced professional trim installer.

Be aware that the term "seat covers" as used in this catalog refers to the authentic-style, correct replacement upholstery for the seats in your original Ford car. Don't confuse them with the cheap "dime-store" seat covers that are sold to fit over factory upholstery.

1964 Fairlane 500 2-Door Sedan

NOTE All seat covers are oversized & require additional shipping charges. Please allow 2-3 weeks for delivery.

**We only sell premium-grade,
all-vinyl seat covers.**

Hog Ring Pliers & Rings

We offer high-quality hog rings & pliers for those who are skilled at installing their own Fairlane or Torino seat covers. However, unless you have done this job before, we recommend that you take our premium seat cover sets to a professional trim installer for best results. Their many years of experience have taught them countless techniques for getting the proper fit, without unnecessary wrinkles, sags, or other little imperfections. So unless you are experienced at installing reproduction automotive seat covers, check the yellow pages for a professional installer near you.

Seat Foam, Front Buckets (2 required)

Seat covers will make your interior look so much better. But don't forget that the foam underneath them is just as old as the worn out seat covers. In many cases it's crumbling & turning to dust. Now you can add new seat foam to restore the feel of the original seat. Once you sit in that freshly restored bucket seat, you'll be transported back in time & you'll know what it felt like when your Fairlane was new.

Seat Foam, Front Buckets (2 required)

Seat covers will make your interior look so much better. But don't forget that the foam underneath them is just as old as the worn out seat covers. In many cases it's crumbling & turning to dust. Now you can add new seat foam to restore the feel of the original seat. Once you sit in that freshly restored bucket seat, you'll be transported back in time & you'll know what it felt like when your Fairlane was new.

66-67	Seat foam set, molded foam, includes one cushion & one backrest, made in the USA.	U5SF6667	149.95 set
-------	---	----------	------------

We only sell premium-grade, all-vinyl seat covers.

See page 1 for samples of the colors listed throughout this section

Hog Ring Pliers & Rings

We offer high-quality hog rings & pliers for those who are skilled at installing their own Fairlane or Torino seat covers. However, unless you have done this job before, we recommend that you take our premium seat cover sets to a professional trim installer for best results. Their many years of experience have taught them countless techniques for getting the proper fit, without unnecessary wrinkles, sags, or other little imperfections. So unless you are experienced at installing reproduction automotive seat covers, check the yellow pages for a professional installer near you.

Hog Ring Pliers

64-73	Professional quality	T4407U	25.25
-------	----------------------	--------	-------

Hog Rings

64-73	100 pieces	T4406U	2.95 set
-------	------------	--------	----------

Installing these correct factory-type seat covers requires skill, experience & a few special tools. Some hobbyists are indeed able to satisfactorily install their own, but for best results, we recommend that these quality seat covers be taken to an experienced professional trim installer.

Be aware that the term "seat covers" as used in this catalog refers to the authentic-style, correct replacement upholstery for the seats in your original Ford car. Don't confuse them with the cheap "dime-store" seat covers that are sold to fit over factory upholstery.

1968 Torino 2-Door Hardtop & 2-Door Fastback

Attention Fairlane Owners

If you own a 68-70 Fairlane 500 & are looking for seat covers, we have a possible solution for you: our Torino seat covers will fit! The trim is a bit different, but the seat covers themselves are the same size & shape. If you are building a "concours correct" car, these are not the seat covers you need, but for a "driver" or weekend cruiser you'll find them both functional & good looking.

**1968 Torino Convertible**

NOTE All seat covers are oversized & require additional shipping charges. Please allow 2-3 weeks for delivery.

We only sell premium-grade, all-vinyl seat covers.

Hog Ring Pliers & Rings

We offer high quality hog rings & pliers, for those who are skilled at installing their own Fairlane or Torino seat covers. However, unless you have done this job before, we recommend that you take our premium seat cover sets to a professional trim installer, for best results. Their many years of experience have taught them countless techniques for getting the proper fit, without unnecessary wrinkles, sags, or other little imperfections. So unless you are experienced at installing reproduction automotive seat covers, check the yellow pages for a professional installer near you.

Installing these correct factory-type seat covers requires skill, experience & a few special tools. Some hobbyists are indeed able to satisfactorily install their own, but for best results, we recommend that these quality seat covers be taken to an experienced professional trim installer.

Be aware that the term "seat covers" as used in this catalog refers to the authentic-style, correct replacement upholstery for the seats in your original Ford car. Don't confuse them with the cheap "dime-store" seat covers that are sold to fit over factory upholstery.

1970 Torino 2-Door Hardtop & 2-Door Fastback

OS All seat covers are oversized & require additional shipping charges. Please allow 2-3 weeks for delivery.

Attention Fairlane Owners

If you own a '68 thru '70 Fairlane 500 & are looking for seat covers, we have a possible solution for you: our Torino seat covers will fit! The trim is a bit different, but the seat covers themselves are the same size & shape. If you are building a "concours correct" car, these are not the seat covers you need, but for a "driver" or weekend cruiser you'll find them both functional & good looking.

1970 Torino Convertible

OS All seat covers are oversized & require additional shipping charges. Please allow 2-3 weeks for delivery.

Information on Placing Free Delivery Orders

To have your order delivered free at any of the above shows, simply call (800) 777-0948 & place your order from any catalog. Let us know what show to bring it to & we will have your order there waiting for you!

- No shipping charges will be applied to any item you pick up at any of the above shows.
- Orders must be picked up by noon on the last full day of the event (Hershey 3:00 p.m. Friday).
- We might be unable to deliver certain large items because of product size limitations (fenders, gas tanks, pickup beds, etc.).
- **Credit card in advance, or cash at show. NO CHECKS PLEASE.**
- Sales tax appropriate to each state will be charged.

SEAT BELTS

If you haven't already installed seat belts in your classic ride, we highly recommend it. Our universal style seat belts feature a chrome lift latch & are available in 10 colors to match almost any interior. Sold per passenger, each belt includes washers, bolts, nuts & basic instructions on how (but not where) to install.

The 60" size is standard, for a little extra breathing room, order the 74" length. Proper installation is at the risk & responsibility of the customer.

Shop online TODAY for our selection of more than 75,000 parts for your vehicles!

When your doors are opened for the entire world to see, our beautiful, faithful reproductions will really show off your well-detailed interior. Attention to detail, correct-grain vinyl in original factory colors & proper die-stamped patterns make these panels look just like originals did on the dealer showroom floor.

Put brand new, authentic reproduction interior door panels on your car today. It's a fast, convenient way to make your car look terrific!

OUR DOOR PANELS FEATURE:

- Correctly matched factory contour lines.
- Simply re-use your old metal trim pieces.
- Arm rests also available for some models. See page 19-20.
- Authentically reproduced colors, patterns & textures.
- Die-cut inner boards for proper fit & appearance.

1963

Door panels for 1963 Sports Coupes presented special challenges. The correct crush grain vinyl was used & the chrome mylar accent is exactly as original. The end result is the best looking door panel on the market today. Available in four factory colors, call & order yours so you can complete that interior restoration.

Headliners

The Fairlane & Torino headliners listed in this category cover the years from 1962–71. There were four types of vinyl headliners used during this time span: raised star, perforated, crater (or “moonskin”) & tier. MAC's new raised star vinyl was original in 1962–63 as well as our perforated vinyl, which is available in three colors. Crater vinyl was used in 1964–70 & is available in seven colors. Tier vinyl was used in 1971 only & is available in five colors.

The colors for each style listed on the next three pages are shown below.
Order SAMPLE5 for a FREE Color Sample Guide for your Fairlane or Torino.

CARPETED FLOOR MATS

Made with the same top-quality materials & the same colors as our carpets, so they'll match beautifully. The grip-lock, non-skid backing keeps them from sliding around on your floor. Fourteen cool embroidered logos are also available. Logo Mats are not returnable. The logo will appear on the front mats only & will be located in the heel area of the mat. Request a free sample card, SAMPLE5, to match these beauties to your interior.

Specify your color choice. If you want a logo, tell us that number, too!

Carpets

MAC's carpets are simply the best! They feature original style 80/20 loop pile, pre-installed jute backing, a color-keyed vinyl heel pad, serge bound edges where original & a grommet for the dimmer switch. Available in 10 factory colors. Specify color when ordering!

Colors available:

Black #11	Red #12	Ford Blue #13	Dark Saddle #14
Dark Green #15	Ford Maroon #21	Medium Ford Blue #22	Fawn #23
Aqua #24	Emberglo #25		

62-71 Carpet, 80/20 loop pile, made exactly for your car 6271-FLTO-CARPET 199.95

62-71 Now you can order matching carpet, one yard at a time. This is the same 80/20 carpet that we sell for your floor. To assure a good color match, please order at the same time as your floor carpet CARPETYARD 44.95 yard

62-71 3M Super Trim Adhesive, 19 oz. spray, if you want to glue your carpet down, this is the best product as it gives you some time to "work" the carpet. RSP79* 17.95

Carpet Color Sample Card

62-71 Carpet color sample card SAMPLE5 FREE

When ordering floor carpets, we will need the following information:

1. Year, make & model of your car
2. Body style of your car (found on patent/warranty plate, drivers door)
3. Front seat type (power or not)
4. Transmission type (manual or automatic)
5. Color (see carpet color choices above)

Remember: Don't remove your **old** carpet until your **new** carpet arrives!

Carpet & Floor Mat Colors

BLACK #11

FORD MAROON #21

EMBERGLO #25

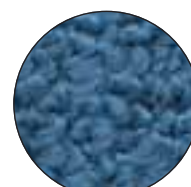

FAWN #23

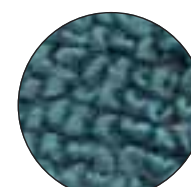

DARK GREEN #15

MEDIUM FORD BLUE #22

FORD BLUE #13

AQUA #24

RED #12

Before you install your carpet, take it out of the shipping box & lay it in the sun for a few hours to let it "relax." It will become more pliable & a lot easier to work with!

* **HAZARDOUS MATERIAL**—can only be shipped by ground/surface within the U.S. because of government safety regulations.

Sound Deadener Set

Thinking about installing a new carpet? That's the perfect time to consider installing our 3-piece sound deadener. Made of a heavyweight rubber-based material like the original, each piece is die-cut to ensure a good fit to your floor.

66-71 Sound deadener set 13000-6671 69.95 set

Insulation & Sound Deadener

Firewall Insulation

If you are replacing your carpet, now is the best time to install superior firewall insulation. We carry everything you'll need. Our big 48" x 72" sheet is a full 5/16" thick & is rated to R18 (meaning it resists heat up to 700°). This is because of its construction of jute fiber with a space age reflective foil bonded on both sides. You can put it on the firewall, behind the kick panels or even on the trunk divider. It does the job of blocking intrusive road noise & keeping engine heat in the engine compartment where it belongs.

ALL Firewall Insulation, 48" x 72" x 5/16",
cut to fit desired area V700770X 32.00

Jute Backing

Ever wonder what that stuff is on the back of your carpet? It's called jute fiber & provides a cushion underneath as well as sound insulation.

ALL Jute padding, 5/16" thick x
36" wide x 72" long, used
behind the kick panels, under the
package tray & on two-door cars you'll
find it behind the quarter trim panels
as well (as required) B13000 19.95

Dynamat® Sound Insulation

For years, we have been selling the original Dynamat & can boast of hundreds of satisfied customers. We are now proud to offer the next generation of Dynamat sound deadeners, Dynamat Xtreme. Xtreme is a step up from the original formula & is Dynamat's best product at controlling vibration. It damps 4 times as much as the original Dynamat & as an added bonus, it weighs 50% less. It is available in conveniently sized 18" x 32" sheets & with peel & stick application; it goes on quickly & easily. Do yourself a favor & order some today!

ALL Dynamat Xtreme, each piece
is 18" x 32" (as required) . . . DYNAMAT-0433 29.95

Under Coat

ALL General trim adhesive, 18.1 oz. spray
can, 3M brand, we recommend using
this to attach jute padding to metal or
plastic panels (as required) RSP29* 14.75

DOOR SCUFF PLATES

Scuff Plates

The first thing you see when you open the door is the scuff plate. Most are in pretty rough shape & can make a decent interior look shabby. Replace them today with a set of our top-quality reproductions. These scuff plates do not include emblems. Adhesive backed emblems are available & listed separately.

62-64 Scuff plates,
all 2-door models. C3OZ-6213208-PR 216.95 pair

66-67 Scuff plates,

MAC's is proud to offer the best convertible tops that money can buy! Each is constructed using only premium quality 32-36 oz. vinyl & features a zippered-in clear plastic back window, matching vinyl bow covering, wire-on trim, tips, screws & is available in your choice of three colors.

Our tops are covered for six years on materials & workmanship*, so your satisfaction is guaranteed!

When you replace your top, don't forget the top pads, listed below.

* Because of the difficulty of installation, the warranty is void if the top is not professionally installed. No installation directions are available.

Convertible Top Kits

Convertible Top Motor & Pump Assembly _____

When you raise your top, does it move slowly?

Over time, top motor pumps can lose some of their pressure, which makes putting the top up a long, drawn-out process. Check all the fittings for leaks, grease all the pivot points & then if it is still slow, it could be the pump. Our pumps are brand new—not rebuilt. They are made by a company that specializes in all things convertible. Buy one today & you'll be rewarded with a top that raises & lowers effortlessly.

Trunk Mats

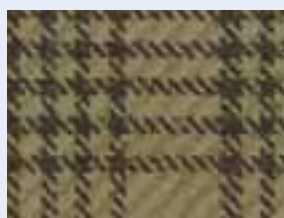

With one of our reproduction mats, you can make your trunk look just like it did the first day the car came home. Select from easy-to-clean fleece-backed vinyl or original-type Burtex. Either way, you'll make your trunk look brand new. The two-digit number following each trunk mat listing below is the print pattern number. For color samples, order the sample card listed below.

-------	---	----------------	-------

Dash Pad

One thing our classic cars never escape is the sun & the heat it generates. That heat takes a heavy toll on your dash pad, drying it out & eventually creating unsightly cracks. Those cracks can be repaired, but it takes the skills of a trained professional to make your dash pad look good again.

We can now offer an alternative—a brand new dash pad, reproduced right here in the U.S.A. This is the dash pad you have been waiting for. Great care was taken to create the foam base, making sure any indentation is shaped correctly. All the curves are in the right places. A skin of correct crush grain vinyl is applied over the foam, giving the pad the correct factory look. The end result is a dash pad that will complement the rest of your interior, so give us a call & order one for your Fairlane today!

62-65  Black, can be dyed C5OZ-6504290 299.95

Dash Pad Retaining Clip Set

Now you can replace those spring steel clips that break when you remove your dash!

69-71 3 pieces D1AZ-6504278-ST 4.95 set

Dash Pad Covers

The quickest & easiest way to repair that beat up dash pad is our dash cover. Designed to go over the existing dash, just trim down the high spots, lightly sand, apply the (provided) cement & your interior looks 100% better!

1966  Fairlane, black, can be painted. C6OZ-COVER 99.95

1967  Torino & Ranchero, black, can be painted. C7OZ-COVER 99.95

Glove Box Liners

Consider yourself lucky if you have any glove box liner at all. Most were made of cardboard & didn't react well when we jammed sunglasses, a couple of pens, some pencils (because the pens never worked), air pressure gauges, matches, the owners manual & 10 maps in them. We have brand new glove box liners for every year Fairlane & Torino, so find your year & order yours today!

SWITCHES

Constant Voltage Regulators

If there's a problem with one gauge, then it's likely the sending unit or the gauge itself. If all the dash gauges read the maximum, then this is the culprit. The voltage regulator's job is to feed a constant stream of lowered voltage to your gauges. When it fails, the voltage is allowed to increase & all your needles are pegged to the right. It is located on the back of the instrument cluster.

FIREWALL PARTS

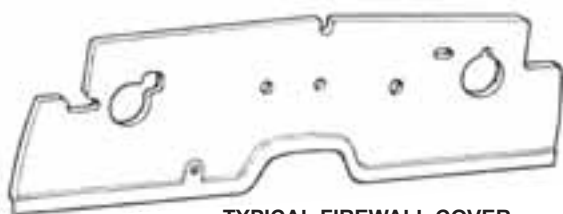

ABS Firewall Covers

More than 30 years takes a toll on your firewall cover. Until the mid-60s, many firewall covers were made from oil-impregnated cardboard. A newer design incorporated a rubber insulator bonded to a thin layer of insulation.

This is the next step.

Today's technology leads us to ABS plastic backed with insulation for a vastly superior sound deadener with increased heat management.

All carry a flat \$30.00 shipping fee & include mounting clips.

TYPICAL FIREWALL COVER (YEAR & MODEL EFFECTS SIZE & SHAPE)

62-64 ABS plastic with insulation . . . C2OZ-6201670-B 144.95
65-67 ABS plastic with insulation . . . C5OZ-6201670-B 144.95
68-69 ABS plastic with insulation . . . C8OZ-6501670-B 144.95
70-71 ABS plastic with insulation . . . DOOZ-6501670-B 144.95

Firewall Covers (6 clips required)

1965 **NEW** Original type C5OZ-6201670-A 79.95
66-67 Firewall insulation, original-type rubber insulator bonded to a layer of insulation, mounting clips are not included. C6OZ-6501670-A 59.95

Firewall Cover Clips (as required)

62-71 7/8" reach with a 1-1/4" overall length (shown) 48-7001670-A 2.75
62-71 1/2" reach with a 3/4" overall length (shown) 48-7001670-B 2.95
62-71 Modern style, plastic, 7/8" reach with a 1-1/8" overall length. 390018-S 0.95

Firewall Insulation

Try our "space-age" solution to keeping heat & road noise where they belong—outside. We have taken jute padding & bonded reflective foil onto both sides, creating insulation rated at R18. Use it on your firewall, behind the kick panels, or under the package tray & you will feel the difference!

62-71 Each piece is 48" x 72" x 5/16" thick . V700770X 32.00

ALL This adhesive is the absolute best for attaching our firewall cover. RSP53* 13.50 pint

* **HAZARDOUS MATERIAL**—can only be shipped by ground within the U.S. because of safety regulations.

Door Hinge Pin & Spring Bushing (as required) _____

If your door "drops" when you open it, or you notice that it latches easier if you lift the door up just before closing it, you probably need new hinge pins & bushings. You'll be amazed at the difference they can make!

- | | | | |
|-------|---|----------------|------|
| 62-71 | Hinge pin, cut to required length, each hinge requires 1 pin & 2 bushings | B9A-5943030-AA | 3.95 |
| 62-71 | Hinge pin bushing | C3AZ-5422841-B | 1.45 |

- | | | | |
|-------|---|----------------|------|
| 64-70 | Door hinge spring, on the lower hinges only . . . | CODZ-6421232-B | 1.25 |
|-------|---|----------------|------|

Front Door Hinges _____

Power Window Motor Gear & Coupler

65-71	Power window motor gear, 9 teeth (2 or 4 required)	DOAZ-62234A24-BR	20.95
63-65	Coupler for power window in tailgate, station wagon	C1VB-5723440-A	14.95

Power Window Safety Relay _____

1965	NEW Fairlane station wagon	C1AF-14677-A	59.95
------	---	--------------	-------

Window Roller Assemblies (as required) _____

The window roller assembly attaches to the end of the window regulator arm on power & manual windows. It's the part that slides back & forth in the channel allowing the window to glide up & down smoothly. If your window tilts forward or back, or isn't level when you roll it up, the plastic part of the window roller might be broken or missing.

1968 was a transition year—it could be either 11/16" or 1" OD mounting stud. Remember to measure!

1962	Front & rear windows	COAB-6423240-B	2.50
63-65	Front windows only (not shown)	COAB-6423240-B	2.50
65-71	Window roller, 11/16" OD mounting stud	C5AZ-57262A32-A	4.95

Glass Bedding

62-71	10' roll, cork & rubber compound, the bottom edge of your door glass rests in a metal channel that should be lined with this product	A45963X	7.50

Scuff Plates

The first thing you see when you open the door is the scuff plate. Most are in pretty rough shape & can make a decent interior look shabby. Replace them today with a set of our top-quality reproductions. These scuff plates do not include emblems. Adhesive backed emblems are available & listed separately.

- 62-64 Scuff plates, all 2-door models. C3OZ-6213208-PR 216.95 pair

- 66-67 Scuff plates, all 2-door models. C7OZ-6213208-PR 123.95 pair

- 70-71 Scuff plates, all 2-door models. DOOZ-6513208-PR 123.95 pair

Scuff Plate Emblems (2 or 4 required)

- 62-64 Ford script exactly as original, adhesive backing C4SZ-6313208-E 2.95

- 66-67 Ford script exactly as original, adhesive backing C7ZZ-6313208-E 2.95

- 70-71 Ford script exactly as original, adhesive backing C8AZ-6313208-E 2.95

Glass

MAC's is pleased to announce that we now carry glass for some models of '62 & '63 Fairlanes. All of our glass is AS1 clear safety glass cut from factory patterns for a flawless fit. So if your door, quarter, or vent windows are broken, scratched, or just plain missing, give us a call, we'll be more than happy to ship your new glass right to your door! Unfortunately, because of the high risk of breakage, we will not ship glass out of the contiguous United States.

The most commonly rusted areas of your car are the rockers, lower fenders & quarters. We now have patch panels to repair those areas on the most popular Fairlanes & Torinos. Constructed from 18–20 gauge steel, they will make the job of restoring your body back to its original beauty much easier.

Front Fender Patch Panels

READ THIS! Patch panels will require “fitting” for proper placement. Welding skills are necessary to replace all body parts. Painted or otherwise modified sheet metal is not returnable, regardless of the reason.

66-67	Lower rear, right	C6OZ-16005-RLR	164.95
66-67	Lower rear, left	C6OZ-16006-LLR	164.95
70-71	Lower rear, right	DOOZ-16005-RLR	67.95
70-71	Lower rear, left	DOOZ-16006-LLR	67.95

Inner Fender Aprons

Inner fender aprons are in the perfect spot for debris to collect. The front section on the right side is also where the battery is located. Moisture & debris get trapped under the battery, along with the always present battery acid & you have an area that is very prone to rust formation.

Up until now, your only choice was to bend, cut & trim a scrap of sheet metal to fix the rust spot. Today, you can cut out the rusted inner fender apron front section & weld in a new piece of die-stamped sheet metal. Die-stamping gives you all the factory curves, indentations & correct overall shape so your repair job requires much less work.

Give us a call, we are here to help make your restoration easier & these beautiful, new fender aprons will make a difficult job much easier.

62-65	Front section, right	C5OZ-16054-B	99.95
66-69	Front section, right	C6OZ-16054-A	99.95

Lower Front Valance

The lower front valance is the panel that extends down from the bumper & goes across your front end from fender to fender. Your original is probably dented & rusty, as are most of the available used pieces. Improve the look of your front end quickly, easily & inexpensively with our new fiberglass reproduction. It's ready to paint & bolt on. Call for yours today!

FULL HEIGHT PATCH PANEL

Quarter Patch Panels

These quarter patch panels are shipped in special boxes to avoid damage. Shipping & boxing charges apply whether shipped or picked up at our store.

- | | | | |
|-------|---|---------------|--------|
| 66-67 |  2-door body style, right,
full height & length | 27840-47261-R | 610.95 |
| 66-67 |  2-door body style, left,
full height & length | 27841-47261-L | 610.95 |

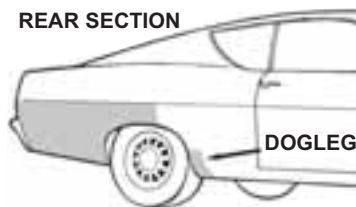

Quarter patch panels must ship by truck because of their size. They are shipped pre-paid & the estimated shipping fee is \$150.00-\$250.00.

The half-height quarter panel is just what it says, it gives you the full lower part of the quarter plus everything over the top of the wheel opening.

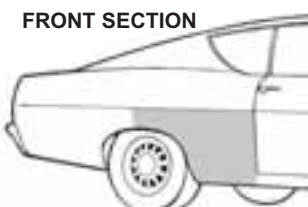

- | | | | |
|-------|---|---------------|--------|
| 70-71 |  Half-height
quarter panel, right, 18" high
at the door jamb | 27840-47697-R | 167.95 |
| 70-71 |  Half-height
quarter panel, left, 18" high
at the door jamb | 27841-47697-L | 167.95 |

The quarter patch panels listed below repair the most commonly rusted areas of your classic. The "dogleg" is the area just in front of the rear wheel opening. When both are used, the rear lower half & the front lower half will overlap & combined give you coverage from the door to the bumper.

REAR SECTION

FRONT SECTION

- | | | | |

- 1969 "Cobra Jet", adhesive backed, 428 Cobra Jet C9ZZ-16720-AR 29.95
70-71 "Cobra Jet", adhesive backed, 428 Cobra Jet, used on the shaker hood scoop C9ZZ-16720-AR 29.95

Hood Mouldings

- 1966 **Except** Ranchero C6OZ-16856-A 69.95
1967 All body styles C6OZ-16856-A 69.95

Hood Nameplate

- 70-71 "Torino", chrome. DOOZ-16720-A 29.95

Nothing sets off that new paint job better than new mouldings. Our bright reproduction mouldings will do the trick!

Wheel Opening Mouldings

OS These wheel opening mouldings are oversize & require additional shipping charges. 1966 mouldings will only fit correctly on cars that had factory-installed rocker panel mouldings.

1966 Front

Fits: Fairlane 500 4-door sedan (54B), Fairlane 500 2-door sedan (62B), Fairlane 500 (63B), 500 XL (63C) & GT or GTA (63D) 2-door hardtops, Fairlane 500 4-door Custom Ranch Wagon (71B), Fairlane 500 XL (76C) & GT or GTA (76D) convertibles

1966	Right	C6OZ-16038-A	48.95
1966	Left	C6OZ-16039-A	48.95

The wheel opening mouldings on a '66 Fairlane will only fit correctly on cars that have factory installed rocker panel mouldings

1966 Rear

Fits: Fairlane 500 4-door sedan (54B), Fairlane 500 2-door sedan (62B), Fairlane 500 (63B), 500 XL (63C) & GT or GTA (63D) 2-door hardtops, Fairlane 500 XL (76C) & GT or GTA (76D) convertibles

1966	Right	C6OZ-6229164-A	48.95
1966	Left	C6OZ-6229165-A	48.95

1967 Front

Fits: Fairlane 500 2-door sedan (62B), Fairlane 500 4-door sedan (54B), Fairlane 500 (63B) & 500 XL (63C) 2-door hardtops, Fairlane 500 (76B) & 500 XL (76C) convertibles, Fairlane 500 4-door station wagon (71B) & Ranchero 500 (66B) & 500 XL (66D)

1967	Right	C7OZ-16038-A	48.95
1967	Left	C7OZ-16039-A	48.95

In 1967, the Fairlane models that had wheel opening mouldings also had wide body side mouldings. The wheel opening mouldings stopped at the top of the body side mouldings, so they are only a "half" moulding.

1967 Rear

Fits: Fairlane 500 2-door sedan (62B), Fairlane 500 4-door sedan (54B), Fairlane 500 (63B) & 500 XL (63C) 2-door hardtops, Fairlane 500 (76B) & 500 XL (76C) convertibles

1967	Right	C7OZ-6229164-A	48.95
1967	Left	C7OZ-6229165-A	48.95

1968 Front

Fits: Torino 2-door hardtop (65C) & 4-door sedan (54C)

1968	Right	C9OZ-16038-A	48.95
1968	Left	C9OZ-16039-A	48.95

1968 Rear

Fits: Fairlane 500 4-door sedan (54B), Fairlane 500 2-door formal roof hardtops (65B & 65E), 500 2-door fastback hardtops (63B & 63E), GT 2-door formal roof hardtop (65D), GT 2-door fastback hardtop (63D), Fairlane 500 (76B & 76E) & GT (76D) convertibles, Ranchero 500 (66B) & GT (66D)

1968	Right	C9OZ-5429164-B	48.95
1968	Left	C9OZ-5429165-B	48.95

1969 Front

Fits: Fairlane 2-door hardtop (65A), Fairlane 500 2-door hardtops (65B & 65E), Fairlane 500 4-door sedan (54B), Fairlane 500 station wagon (71B), Fairlane 500 2-door fastbacks (63B & 63E), Fairlane 500 convertibles (76B & 76E) & Ranchero 500 (66B)

1969	Right	C9OZ-16038-A	48.95
1969	Left	C9OZ-16039-A	48.95

1969 Rear

Fits: Torino 4-door sedan (54C), GT 2-door Sportsroof (63D & 63F), Cobra Sportsroof (63H), Torino 2-door formal roof hardtop (65C), GT 2-door formal roof hardtop (65D & 65F), Cobra 2-door formal roof hardtop (65H), GT convertibles (76D & 76F) & Ranchero GT (66C & 66D)

1969	Right	C9OZ-5429164-B	48.95

Put the Ponies Back in Your Ford 6 or 8 Cylinder Engine!

Restore the kind of power that Ford engines are famous for with new top-quality replacement parts. MAC's sells parts ONLY for Ford engines & our years of experience have discovered the parts that will work best for your car. We have searched for the finest quality components & sources that will allow us to offer you excellent pricing. Get the pistons, valves, timing sets, camshafts, rings, oil pumps, cylinder sleeves, bearings, gasket sets & other parts that you need for a top-notch engine restoration. So, whether you have a 170-inch, 6-cylinder engine, a small block, or even a fire-breathing 428 Cobra Jet FE monster, call MAC's today.

When you have your disassembled block & heads strip-cleaned in a machine shop's hot tank, be sure that all oil galley plugs have been removed. Otherwise, unwanted gunk can be left behind & interfere with proper oil pressure when your engine is finally rebuilt & running.

Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL 4 oz. bottle. ZDDPLUS 9.95

Crankshaft Pulley

1969-71 250 6 Cylinder

Ford's big 6, the 250, was first installed in the Fairlane for the 1969 model year because the decision was made to upgrade the size of the standard engine. It became the only 6 available for the Fairlane & Torino models up to & including 1971.

Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL	4 oz. bottle.	ZDDPLUS	9.95

Get your restored Ford power plant looking as good as it runs, with a convenient new engine hardware master kit. Get the original style nuts, bolts, fasteners, clips & more for your Ford engine in one convenient kit. **See listings on page 79.**

1962-63 221 V8

Ford debuted its new "thinwall" design V8 engine in the 1962 Fairlane. This 221 cubic inch displacement, 143 horsepower engine was the very beginning of the heralded Ford "small block."

**1964 260 V8**

At the beginning of the 1964 model year only the Fairlane & Falcon used the 260 engines. Light-weight, compact & economical, the little V8 was deemed a perfect fit for the compact Falcon & the mid-size Fairlane. One more car lurked on the horizon-a brand new size car, with a brand new spirit-the Mustang. The 260 found its way into Ford's new pony car from its inception until the 289 replaced it.

65-68	5/16" x 24"	DOAZ-6A529-A	0.95

Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL 4 oz. bottle. ZDDPLUS 9.95

1963-65 289 HiPo V8

Look for a "K" as the fifth digit in your '63 Fairlane serial number to verify if it came from the factory with Ford's potent 271 horse "HiPo" 289.

Main Bearing Sets

63-65	Standard, shaft size 2.2482/2.2490"	C3AZ-6333-A	38.95 set
63-65	.002" oversize	C3AZ-6333-T	38.95 set
63-65	.010" oversize	C3AZ-6333-B	38.95 set
63-65	.020" oversize	C3AZ-6333-C	38.95 set
63-65	.030" oversize	C3AZ-6333-D	38.95 set

Crankshaft Main Bearing Cap Bolt (or Stud) (10 required)

1965	Genuine Ford	C2OZ-6345-A	6.95
------	--------------	-------------	------

Cam Bearing Set

1965	Standard size	C2OZ-6A251-A	25.95 set
------	---------------	--------------	-----------

Crankshaft Pulleys

1965	Single groove type, for HiPo 289 4 bbl with 40 amp alternator, original stamping number C5AE-A	C5AZ-6312-B	56.95
1965	Double groove type, for HiPo 289 4 bbl with power steering, original stamping number C7AE-A	C5AZ-6312-E	56.95

Timing Chain Covers

1965	For 289 & 302 with a cast-iron water pump, requires a bolt-on pointer, see below	C5OZ-6019-B	103.95
64-65	For a 289 with a cast-iron water pump, includes a molded-in timing pointer	C4AZ-6019-B	127.95
1965	Timing pointer, bolt-on type	C8AZ-6023-B	7.95

Timing Chains & Gears, Before Change L-7

To determine the change level of your engine (8 cylinder, 289 cubic inches), you need the original engine tag that is located under the water temperature sender.

64-65	Camshaft gear, 42 teeth	C5OZ-6256-BI	13.95
-------	-------------------------	--------------	-------

You must re-use your ORIGINAL HiPo camshaft gear spacer

64-65	Crankshaft gear, 21 teeth	C3OZ-6306-A	46.95
64-65	Timing chain	C3OZ-6268-A	21.95

Timing Chains & Gears, After Change L-7

To determine the change level of your engine (8 cylinder, 289 cubic inches), you need the original engine tag that is located under the water temperature sender.

1965	Timing set, 3 pieces, includes camshaft & crankshaft gears & timing chain	C8AZ-6268-ST	22.95 set
1965	Camshaft gear, 42 teeth, iron	C5OZ-6256-BI	13.95
1965	Camshaft gear, 42 teeth, nylon	C5OZ-6256-BN	21.95
1965	Timing chain	C3OZ-6268-A	21.95

Intake Valve Before 4/02/64 (8 required)

63-65	Standard, stem diameter .3415" +/- .0005"	C3OZ-6507-A	12.95
-------	--	-------------	-------

Exhaust Valves (8 required)

63-65	Standard, stem diameter .3420" +/- .0005"	C3OZ-6505-A	7.95
-------	--	-------------	------

Intake Seat Before 4/02/64 (8 required)

63-65	Hi-chrome steel, heavy duty	COAZ-6057-F	4.95
-------	--------------------------------	-------------	------

Exhaust Seat (8 required)

63-65	Hi-chrome steel, heavy duty, limited availability	C3AZ-6057-C	4.95
-------	---	-------------	------

Valve Keeper (16 pair required)

63-65	Intake & exhaust, chrome-moly steel	7HA-6518	0.50 pair
-------	--	----------	-----------

Intake Valve Guides (8 required)

63-65	Standard OD, plain, .343 ID	D1AZ-6510-C	1.95
63-65	Standard OD, spiral groove, .343 ID	D1AZ-6510-D	1.95

Get your restored Ford powerplant looking as good as it runs, with a convenient new engine hardware master kit. Get the original style nuts, bolts, fasteners, clips & etc. for your Ford engine in one convenient kit. See listings on page 79.

**Exhaust Valve Guides** (8 required)

63-65	Standard OD, spiral groove, .344 ID.	D1AZ-6510-B	1.95
63-65	Standard OD, plain, .343 ID.	D1AZ-6510-C	1.95
63-65	Standard OD, spiral groove, .343 ID.	D1AZ-6510-D	1.95

Valve Spring (16 required)

63-65	Intake & exhaust	C3OZ-6513-A	4.95
-------	------------------------	-------------	------

Valve Spring Insert/Shims (as required)

63-65	.030 thickness	B8AZ-6515-A	0.95
63-65	.060 thickness	B8AZ-6515-B	0.95

Valve Lifter (16 required)

63-65	Mechanical, all with 4 bbl carburetor	D2ZZ-6500-A	7.95
-------	--	-------------	------

Push Rod (16 required)

63-65	Standard ID, stock length	C2OZ-6565-B	1.95
-------	---------------------------------	-------------	------

Rocker Arm Kits (16 required)

63-65	Arm, ball & nut, enough to do one rocker arm, 1963 thru 10-4-65	C2AZ-65K64-A	8.95 kit
1965	Arms, shafts, supports, springs, enough to do one engine, 10-4-65 thru 1967	C5AZ-65K64-A	9.95 kit

Rocker Arm & Parts (16 required)

63-65	Arm, cast, 1963 thru 10-4-65	C2OZ-6564-A	14.95
65-65	Arm, cast, 10-4-65 thru 1967	C6OZ-6564-A	10.95
63-65	Ball, with oil groove	C2OZ-6A528-B	0.95
63-65	Nut, 3/8" x 24	C2DZ-6A529-A	0.95
63-65	Nut, 5/16" x 24	DOAZ-6A529-A	0.95

ALL	Permatex Anti-Seize Lubricant, a blend of aluminum, copper & graphite lubricants, perfect for easy removal of spark plugs & cylinder or exhaust head bolts, 1 oz. tube	RSP102	3.95
-----	--	--------	------

ALL	Head gasket sealant, fills in small scratches & imperfections, eliminates hot spots & prevents seizing of connections & fittings, resists heat up to 525°, use on exhaust manifolds, cylinder head gaskets & carb base gaskets, 9 oz. spray can	RSP32*	8.15
ALL	NEW Thread Locker, Permatex brand, .020 oz. (not shown)	RSP242	6.95

1968-69 302 V8

302 cubic inches was the size that Ford settled on for its long-term, small block development, evidenced by the fact that it was used, though with many changes, up until the '90s.

Gasket Sets

68-69	Overhaul set	C7AZ-6008-ST	138.95 set
68-69	Timing cover set	C2OZ-6020-ST	15.95 set
68-69	Intake manifold gasket set	D1AZ-9433-B	13.95 set
68-69	Head gasket (2 required)	C3AZ-6051-C	19.95

The head set combined with the conversion set includes all of the gaskets & seals found in the overhaul set.

68-69	Head set	C3AZ-6079-ST	99.95 set
68-69	Conversion set	C2OZ-6058-ST	46.95 set
68-69	Valve cover set, cork	C8OZ-6584-CST	12.95 set
68-69	Valve cover set, rubber	C8OZ-6584-RST	12.95 set
68-69	Oil pan gasket, cork	C2OZ-6781-C	15.95

Crankshaft Rear Main Seal Set

Our rear main seals are all of the "split-lip" design. This neoprene seal is far superior to the factory installed rope type & will provide years of worry free service. Remember, it should be lightly lubricated with engine oil prior to installation.

68-69	Split-lip type, you must remove the pin from the main bearing cap to install this replacement type seal	C9ZZ-6701-ST	14.95 set
-------	--	--------------	-----------

Dowel Set

68-69	To align cylinder head to block, 4 pieces	C2OZ-6A008-A	4.95 set
-------	--	--------------	----------

Cast Iron Ring Sets

68-69	Standard, comp size .078", oil size .187"	C3AZ-6149-A	29.95 set
68-69	.020", comp size .078", oil size .187"	C3AZ-6149-C	29.95 set
68-69	.030", comp size .078", oil size .187"	C3AZ-6149-D	29.95 set

69-71	Ball, with oil groove	C2OZ-6A528-B	0.95
69-71	Stud, standard size	C9OZ-6A527-A	3.95
69-71	Nut, 5/16" x 24	DOAZ-6A529-A	0.95

Because Ford Motor Company had two different engines with the same displacement, it was obvious that they had to establish an easy way to distinguish between the two. One of the 351's was produced by the plant in Cleveland, Ohio & the other at the Windsor, Ontario (Canada) facility. They became the 351C & the 351W, respectively. That terminology helps separate the two engines, but another set of facts also has to be dealt with.

The Windsor engine is from the same "family" of engines that includes the 221, 260, 289 & 302. Even though it is the same displacement, the Cleveland belongs to the "335" series & is a completely different engine that shares no interchangeability with the Windsor.

1970-71 351 Cleveland V8

Gasket Sets

Intake & exhaust manifold gaskets for 4 bbl are not included.

70-71	Engine overhaul set	DOOZ-6008-ST	83.95 set
70-71	Timing cover set	DOAZ-6020-ST	33.95 set
70-71	Intake manifold gasket set for engines with a 4 bbl carburetor	DOAZ-9433-A	42.95 set
70-71	Intake manifold gasket set for engines with a 2 bbl carburetor	DOAZ-9433-B	33.95 set
70-71	Head gasket (2 required)	DOOZ-6051-A	19.95
70-71	Head set	DOOZ-6079-ST	78.95 set
70-71	Valve cover set, cork	DOOZ-6584-CST	19.95 set
70-71	Valve cover set, rubber	DOOZ-6584-RST	21.95 set
70-71	Rear main seal set, 2 pieces, lubricate lightly with engine oil before installing	DOOZ-6701-ST	14.95 set

Dowel Set

70-71	To align cylinder head to block, 4 pieces	C2OZ-6A008-A	4.95 set

Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL	4 oz. bottle.	ZDDPLUS	9.95
-----	-----------------------	---------	------

1966-67 390 V8

For 1966, the Fairlane added two new high-performance models—the GT & the GT/A. A 335 horsepower version of the 390 4 barrel was under the hood of both. The GT model came standard with a 3-speed, floor-mounted shifter, while the GT/A designation indicated that the "Sports-Shift" Cruise-O-Matic was the transmission of choice. Both came equipped with die-cast hood louvers adorned with 390 identification & lower body side stripes from wheel to wheel with a special GT or GT/A badge on the front fender.

Gasket Sets

Closed heat passage & high-performance intake manifold gaskets are not included.

66-67	Engine overhaul set	C9AZ-6008-ST	130.95 set
66-67	Timing cover set	COAE-6020-ST	17.95 set
66-67	Intake manifold gasket set	C3AZ-9433-G	12.95 set
66-67	Head gasket (2 required)	B8AZ-6051-A	22.95
66-67	Head set	B8AZ-6079-ST	74.95 set
66-67	Valve cover set, cork	DOAZ-6584-CST	11.95 set
66-67	Valve cover set, rubber	DOAZ-6584-RST	18.95 set
66-67	Rear main seal set, 2 pieces lubricate lightly with engine oil before installing	B8AZ-6701-ST	16.95 set
66-67	Oil pan gasket, cork	COAE-6710-C	10.95

Crankshaft Rear Main Seal (2 required)

Our rear main seals are all of the "split-lip" design. This neoprene seal is far superior to the factory installed rope type & will provide years of worry free service. Remember, it should be lightly lubricated with engine oil prior to installation.

66-67	Split-lip type	B8AZ-6701-A	19.95
-------	----------------	-------------	-------

The exhaust manifolds on the 390 are known for warping & creating exhaust leaks. One "home remedy" for this was to put on a gasket because Ford only used a metal heat shield. Here at MAC's we have the best of both worlds—our heat shields have a gasket built into them.

Cast Iron Ring Set

The top 2 rings are the same size—check yours before ordering.

66-67	Standard, comp size .078", oil size .187"	C6MY-6149-A	37.95 set

-------	----------------------	-------------	-------

1968-69 390 V8

The standard engine for the 1968 Torino GT model was the 302 small block. With a modest 210 horsepower, it hardly seemed like a "GT" class engine. The optional engine that more customers preferred was the big block "FE" series 390. In its 4 bbl "GT" version the big 390 pumped out 335 horsepower, enough to leave most of its competitors in the dust.

Gasket Sets

Closed heat passage & high-performance intake manifold gaskets are not included.

1967-68 427 V8

The 427, possibly Ford's most famous engine, was available in either single or dual 4 bbl carburetor versions in the '67 Fairlane. With its 11:1 compression ratio & aluminum intake manifold, it put out 410 horsepower & a stout 476 foot-pounds of torque.

When the '67 Fairlane had the 427 engine it also had heavy-duty front & rear suspension, a heavy-duty driveline, F70 x 14 Wide-Oval tires, a transistorized ignition setup & their 4-speed manual transmission was a mandatory "option." The 427 was again available in 1968, but this time around Ford dropped the 4-speed manual & instead opted for the heavy-duty version of their Cruise-O-Matic as the only transmission choice.

Gasket Sets

Closed heat passage & high-performance intake manifold gaskets are not included.

Water Temperature Sending Units

Your little water temperature sending unit has the vital job of keeping you informed of how things are going inside the critical water jackets of your engine & is your best tool for avoiding a dangerous overheat condition. Be sure that corrosion & age don't keep your sending unit from functioning properly & make sure that all wiring is properly connected & in good condition.

Replace that old unit with a fresh new one, for reliability & general peace of mind. Remember to use some Teflon tape on the threads when you are replacing the sender, (but be sure not to let the tape extend beyond the threads & interfere with the sensor portion of the sending unit!). If you don't have any Teflon tape in your toolbox we carry it under part number TAPE.

1962-69 Engine Hardware Master Kits

These engine hardware master kits contain original-equipment style hardware that was used to install the under-hood components on your engine. Why try to use generic, "one-size-fits-most" hardware, or search the junkyards for rusty, 35-year-old hardware?

Master kits include O.E. hardware to attach all the following items: air cleaner, carburetor, crankshaft pulley, distributor, engine tag, exhaust manifolds, fuel pump, heat shroud, ignition coil, intake manifold, oil filter adapter, oil pan, timing cover, valve covers, water neck & water pump. 1964-1965 kits include exhaust lock tabs; 1966 & later year kits have Ramp-Lok bolts. Also, all small-block kits listed (V8 289 & 302) include a detailed water pump bolt placement illustration.

Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL	4 oz. bottle.	ZDDPLUS	9.95

- 62-71 **NEW** 221, 260, 289, 302 & 351W V8 (shown). C2OZ-9448-A 10.95 pair
- 70-71 **NEW** 351C with 2 bbl. DOAZ-9448-A 14.95 pair
- 70-71 **NEW** 351C with 4 bbl. DOAZ-9448-B 14.95 pair
- 66-67 **NEW** 390, gasket only C6AZ-9448-A 13.95 pair

- 66-67 **NEW** 390, heat shields with integral gaskets, not original looking C1SZ-9448-A 17.95 pair

Exhaust Manifold Bolt Lock Set

- 62-68 **NEW** 221, 260, 289 V8, 8 pieces. C2OZ-9A447-ST 11.95 set

Concours Correct Valve Covers

Whether they are painted gold, corporate blue or chromed you will find these are completely accurate down to the last detail. Correct oil breather caps are in the Engine section.

- 64-65 Painted gold, 260 & 289 V8 (shown) C5AZ-6582-AG 52.95 pair
- 64-65 Chrome, 289 HiPo V8. C4DZ-6582-CR 79.95 pair
- 66-68 Painted Corporate Blue, 289 & 302 V8 C5AZ-6582-A 49.95 pair

- 64-68 Valve cover grommet, 1-7/16" OD x 37/64" ID C8AZ-6A892-A 2.95

Chrome Valve Covers

We now have aftermarket valve covers in gorgeous chrome. Since they are slightly different than the originals you'll need to use the grommets & oil caps that are listed below.

Valve Covers

- 62-68 Chrome, 6 cylinder 170 & 200 (shown) C3DZ-6582-CH 39.95 pair
- 64-71 Chrome, 260, 289 302 & 351W. . . C5AZ-6582-CH 35.95 pair

- 66-69 Chrome, 390, 427 & 428 V8 (shown) C6OZ-6582-CH 39.95 pair
- 70-71 Chrome, 351 Cleveland V8. DOZZ-6582-CH 41.95 pair

| 62-71 | PCV grommet | 6A892-A | 2.95 |

Black Wrinkle Finish Powder Coated Valve Covers

Our black wrinkle finish powder coated valve covers shout hi-performance. Pressure die cast using 383-3 aluminum alloy, they include an improved oil baffle design for use with high lift camshafts. The oil filler tube is cadmium plated to resist corrosion. The lettering & the fins are left natural aluminum to offset the black powder coat for a very sixties look. Spark plug wire brackets & the PCV grommet are included. Pick your favorite & dress up your engine compartment today! Note: will fit all small blocks, including 260, 289, 302 & 351W **except** E.F.I. equipped engines

"Cal Custom" Oil Pan & Valve Covers

Remember all the "Cal Custom" products that every speed shop stocked in the '60s & '70s? That polished aluminum & those cool fins were the look to have. Now we have that look again, in an oil pan & a pair of valve covers created in that great "Cal Custom" tradition. Add a pair of valve covers up top & mount that finned aluminum oil pan on the bottom end & you have created a cool, customized engine bay quickly & easily. Get yours today!

- | | | | |
|-------|---|----------|------------|
| 64-73 | NEW Valve covers, 260, 289 & 302, pressure die cast with machined mating surfaces to ensure a leak free installation | 6582-CAL | 91.95 pair |
|-------|---|----------|------------|

- | | | | |
|-------|---|----------|--------|
| 64-73 | NEW Oil pan, 260, 289 & 302, made from new pressure die cast tooling, with accurate machining creating a perfectly flat surface that will assure you of a leak free installation. The raised fins not only look cool, they are miniature heat sinks & help to lower your oil temperature to help your engine run cooler. A magnetic drain plug is included at no extra charge. | 6675-CAL | 159.95 |
|-------|---|----------|--------|

Engine Dress-Up Kit

Put a splash of chrome under your hood! While this kit is not concours correct, our dress-up kit makes your engine bay the star of the show! Included are a chrome air cleaner assembly, chrome valve covers with grommets & a chrome oil breather.

ZDDPlus Motor Oil Additive

ALL Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

| 70-71 | 351 Cleveland V8, chrome | D1ZZ-6675-CCH | 83.95 |

If all you need is the drain plug, we have a variety of types for you to choose from. The plain steel, factory style plug just needs some paint to match your oil pan. From there, you can step up to a chrome plated plug. If you are looking to add an important safety measure, our magnetic plug picks up any metal that winds up in your pan, keeping it there so it can't harm your engine. Make the decision that is best for you & give us a call right away!

Chrome Dipsticks & Tubes

For those of you who want the flash of chrome but are on a tight budget, we have just the thing for you: Our new dipstick & dipstick tube sets. These aftermarket sets are not meant to be Concours correct, but for a "driver" they add some chrome at a very reasonable cost. Note: because of differing water pump designs, the mounting bracket might have to be modified.

Changing your filters regularly will keep your classic running smoother longer. We carry genuine Motorcraft oil filters as well as show quality reproductions of what was on your car when it rolled off the assembly line. Our air filters will keep choking dirt & road grime from ever entering your carburetor & to make sure bits of dirt don't get into your fuel system, purchase & install any of our genuine Motorcraft fuel filters.

Oil Filters

The oil filters below fit all Fairlane & Torino 6 cylinder & V8 engines.

1971	Except 429CJ, station wagon & Ranchero	DOOZ-9275-M	79.95

Gas Tank Sealer

When you are replacing your gas tank sending unit, take the time to thoroughly inspect your tank for possible future leaks. We carry the best product on the market to seal your tank & keep it from developing leaks, our RSP22A. A one quart can is enough to seal the tank so you won't have any worries in the future. Call us today & place your order!

62-71	1 quart.	RSP22A*	24.95 quart
-------	------------------	---------	-------------

Gas Tank Sending Unit Lock Ring

That lock ring has probably been on your gas tank for 30 plus years. They can be brutal to remove & many times resemble a pretzel when you finally get them out. If you are replacing the sending unit, plan ahead & order a lock ring at the same time.

Fuel Pumps

For reliable performance, put a brand new high quality fuel pump on your Ford. Old fuel pumps often work great—right up until the moment that they fail from age, wear & deterioration. One day you're happily driving along & then the engine dies. You're not out of gas, yet none is getting to the carburetor. Yep, the ol' fuel pump has bitten the dust. Don't wait, put a brand new fuel pump on your car today!

- 71-73 Rubber, all engines with 4 bbl carb C5ZZ-9654-B 3.95

Carburetor Secondary Diaphragm & Actuator Arm

Since the 4100 series 4 bbl carburetors are now close to 50 years old, it stands to reason that most have been rebuilt. Sometimes the rebuilders might have used what they had available, correct or not. The "early" style has a steel secondary diaphragm actuator arm & the "late" style has a plastic arm. The "early" style secondary diaphragm is no longer available, but you can use the "late" style as long as you replace the steel actuator arm with the "late" style plastic arm. Please take a look at the actuator arm so you know exactly what you need before placing your order.

- 64-66 Diaphragm, "late" style B8AZ-9503-LATE 16.95
- 64-66 Actuator arm, "late" style plastic . . C5AZ-9853-A 6.95

Needle & Seat

This new design needle & seat will cure the many ills of a conventional needle & seat. It helps to eliminate "flood over," dirt & rust sticking to the needle & gives more consistent fuel level. All this adds up to better fuel economy & as an added bonus, it will outlast any currently available needle & seat.

It is precision made & the inverted flare seat provides positive sealing & improved fuel control. The needle contains a high quality "fluoro-carbon" alcohol resistant rubber disc that rotates in the end of the needle, thus insuring a positive seal every time.

- 62-71 Needle & seat, fits the
Ford/Autolite/Motorcraft 2100
 series 2 bbl & 4100 series 4 bbl B7A-9564 5.95

Dashpots

- 62-64 Early style,
 with plastic housing B8A-9B549 35.95
 64-71 Later style, all metal C5AZ-9B549 35.95

Remanufactured Carburetors

Which is worse on a carburetor, years of rough service, or sitting around a garage while old gas turns to varnish in tiny jets, ports & orifices? Who knows? But we do know that these top quality rebuilt carburetors will eliminate all of those typical carburetor problems & provide you with smooth, reliable performance for years.

Send us your carburetor to be professionally rebuilt. We have looked for years for a high-quality rebuilder to come forward & stand behind their craftsmanship & we've finally found exactly that! These units return live-engine tested & restored to an O.E.M. appearance & include:

- Master rebuild kits installed
- Floats
- Needle & seat
- Gaskets
- Choke cover
- Fuel filters (when originally equipped)

Since we have no cores, we must rebuild your exact carburetor. Send us your complete rebuildable unit & we will completely clean, inspect & rebuild it. Include your daytime phone number so we can contact you if necessary. Usual turnaround time is 3 to 4 weeks from the date we receive your core.

The rebuilding price listed below assumes the entire assembly is intact & in decent condition. If any major parts are missing, if the unit is not rebuildable, or if the cost will be greater than the prices listed below, we will advise you.

1 or 2 bbl Carburetors

- 62-72 Any 1 or 2 bbl carburetor,
 rebuilt as described above 9510-1/2BBL 229.95

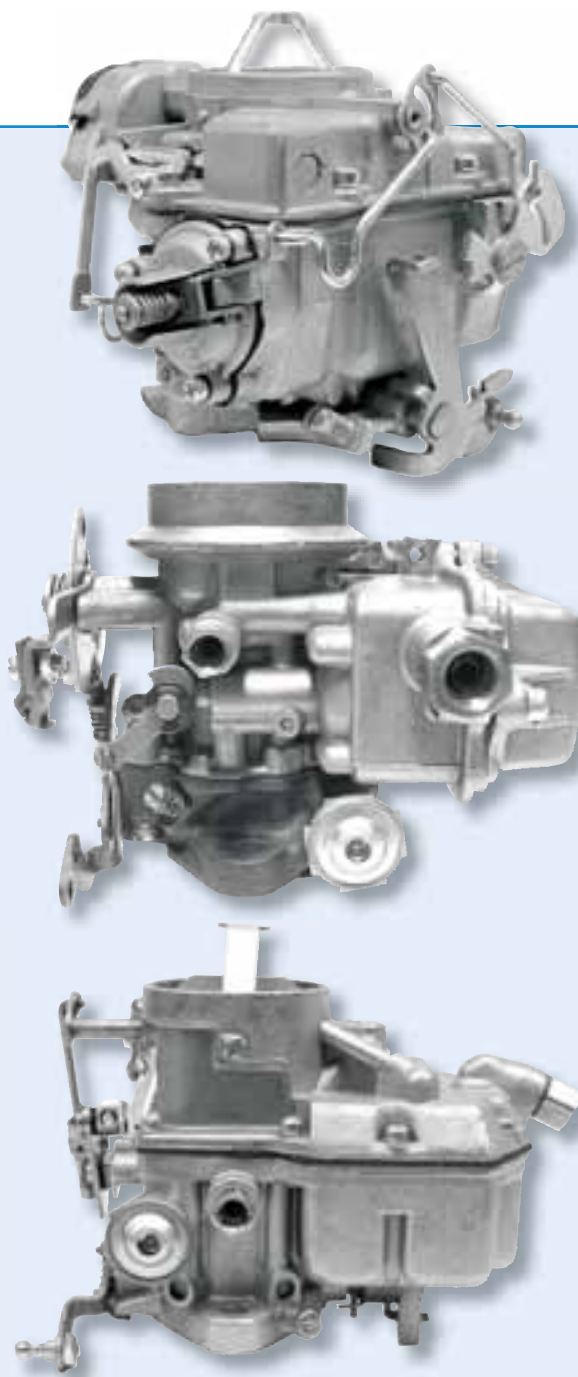

4 bbl Carburetors

- 62-72 Any 4 bbl carburetor,
 rebuilt as described above 9510-4BBL 299.95

Carburetor Cleaner

- ALL Carburetor cleaner, eliminates
 varnish & gum, great for old cars,
 12.5 oz. spray can. RSP14* 5.95

* **HAZARDOUS MATERIAL**—Can only be shipped by ground/surface within the U.S. because of government regulations.

Remanufactured Generators

These guaranteed quality remanufactured generators will look great on your engine & deliver years of reliable performance. Don't wait on the old unit to break down, call & order a rebuilt generator today.

The generators listed below are sold on an exchange basis. **If we do not have your rebuildable core before we ship, a \$40.00 core fee will be charged.** This charge will be refunded if your acceptable exchange is received within 90 days of the purchase date. Our remanufactured generators DO NOT include the pulley. Pulleys are not available.

Battery Disconnect Switches & Bracket

For your safety & convenience, we offer two styles of battery disconnect switches. Choose either style & you can keep your battery from draining over long periods of storage, plus both act as a theft deterrent.

The first type can be installed literally in minutes. Simply attach it to your battery post & attach your battery cable to the other end. When you leave the car, all you have to do is unscrew the cap & the battery is disabled in one easy step.

The second type is a heavy duty version, you see this type on most race cars, from circle track to the drag strip. It is a simple on / off switch. Flip it to off & your car won't start as the battery is out of the circuit. If you store your car for extended periods, one of these switches is a must. Call for yours today!

62-71 Battery disconnect switch..... A14300C 12.85

62-71 Battery disconnect switch..... A14300D 24.75

Remanufactured Starter Motors

Have you ever thought about the incredible torque, thrust & wear that a typical starter motor must go thru to start an engine? The starter drive unit must thrust the starter gear out to mesh perfectly with the teeth on the ring gear of your flywheel & then the small electric motor must spin over the crankshaft, pushing all those pistons up against compression. It's even worse on high performance or large cubic inch engines.

Give your old starter a break. Replace it with one of these guaranteed quality remanufactured starter motors. The remanufactured starter motors listed below are sold on an exchange basis. **If your rebuildable core isn't received before we ship you will be charged a \$40.00 core fee.** This core fee will be refunded if your acceptable exchange is received within 90 days of your purchase date. Your rebuildable core must be returned in the rebuilder's original package.

Reproduction Spark Plug Wire Sets

MAC's proudly presents: The Best You Can Get! You're going to love the way these authentic reproduction spark plug wires look under your hood! These sets are tailored for each individual engine & year, as original. Plug wire sets are reproduced using components from original equipment suppliers Prestolite wire & Essex Corporation. All wires are ink-stamped with the correct part numbers, exactly as original. The boots have all the correct logos & parting lines as original. Correct sleeving is placed on the wire sets as applicable.

SAVE \$\$\$—BUY THE SET!

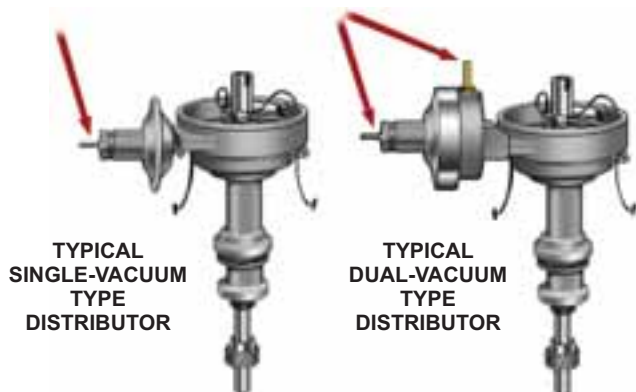

Remanufactured Distributors

Put some pep back into your Ford engine with a new remanufactured distributor. Experienced tune-up specialists will tell you that worn or sloppy old distributors shafts, bushings, gears & vacuum diaphragms are common causes of those mysterious ignition problems we have all tried to troubleshoot. Eliminate all doubts with one of these guaranteed quality rebuilt units.

HEX-SHAPED HOLE IN DISTRIBUTOR SHAFT TO MATCH SAME-SIZE OIL PUMP SHAFT

The remanufactured distributors listed below are sold on an exchange basis. **If your rebuildable core isn't received before we ship, you will be charged a \$50.00 core fee.** This core fee will be refunded if your acceptable exchange is received within 90 days of your purchase date. Your rebuildable core must be returned in the rebuilder's original package. Core charges will not be refunded if any of the following conditions are or become evident: housings are worn beyond repair, scored, cracked, rusted or otherwise damaged, a non-Ford distributor is sent, any shafts are bent or broken or the unit is disassembled.

**NEVER FIGHT WITH ANOTHER
SET OF POINTS AGAIN!**

The Ignitor®

Install the Ignitor® by Pertronix. The breakerless electronic ignition substitute, get longer plug life, better fuel economy & **increased horsepower!!** (Not for transistorized ignition)

- 62-71 The Ignitor®, 170 & 200 6 cylinder,
See NOTE below 12127-1261 77.95

NOTE: Since in many of these classics the engine might have been changed over the years, pull off the rotor & look at the top of the distributor; if the shaft is hollow & has a slot at the top, use 12127-1261. If it is a solid shaft & is "D" shaped, use the 12127-1266

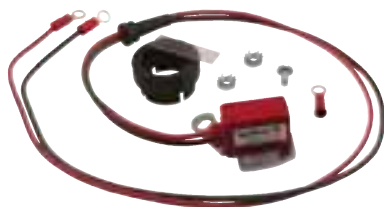

- 62-71 **NEW** The Ignitor, 6 cylinder,
see NOTE above. 12127-1266 77.95

- 62-71 The Ignitor®, V8. 12127-1281 77.95

Ignitor II®

Take performance one step higher with the Ignitor II®. The dwell is constantly monitored by a new microcontroller & adjustments are made to maintain peak efficiency throughout the entire RPM range. Combine this with our new coil, the 45,000 volt, low .6 ohm resistance Flame Thrower II® & you can have up to 4 times the energy of a typical point system!

- 62-71 Ignitor II, V8. 12127-91281 115.95

Ignition Coil Brackets

- 64-70 Painted black,
includes nut & bolt. C4DZ-12043-A 12.95
64-70 **NEW** Stainless steel,
includes nut & bolt. C4DZ-12043-SS 17.95

Flame Thrower®

The Pertronix Flame Thrower® is a high-performance 40,000 volt ignition coil. It's the best coil to use with our Pertronix Ignitor® breakerless points & condenser replacement. (Not for transistorized ignition.)

Decals are
easily removed for
a stock look!

- 62-71 Flame Thrower® ignition coil, black,
for 6 cylinder engines 12029-40511 34.95
62-71 Flame Thrower® ignition coil, chrome,
for 6 cylinder engines 12029-40501 38.95
62-71 Flame Thrower® ignition coil,
black, V8 12029-40011 34.95
62-71 Flame Thrower® ignition coil,
chrome, V8 12029-40001 38.95

The Pertronix FLAME THROWER II is a high-performance 45,000 volt, low .6 ohm resistance ignition coil. It's the best coil to use with our Pertronix IGNITOR II.

- 62-71 Flame Thrower II® ignition coil,
chrome, V8 12029-45001 38.95
62-71 Flame Thrower II® ignition coil,
black, V8 12029-45011 34.95

Ignition Coils

**WARNING: Do not use these
ignition coils with O.E.M.
transistorized ignition.**

- 62-71 Reproduction, black body with
mustard colored top B6A-12029-MT 64.95
62-71 Replacement type, all black B6A-12029-B 21.95

Radiators

All of our radiators are the two-row type (**except** where noted). In most cases they are close to original, but are not reproductions of the original factory units. If you have an automatic transmission all you have to do is hook up your lines as all of our radiators come equipped with transmission coolers.

OS All Radiators are oversized & require additional shipping charges.

Look in our weatherstripping section for the "hood-to-the-top-of-the-radiator" & the "fender-to-radiator-support" seals on page 140.

Water Pumps & Parts

New

We carry water pumps made with brand new castings & all new internals. They come complete with new gaskets.

62-66	Aluminum housing, 221, 260 & 289, V8, before June 1965	C5AZ-8501-K	73.95
62-68	6 cylinder, 170 & 200	C6DZ-8501-A	52.95
65-69	Cast iron housing, 289, 302 & 351, V8, from June 1965 (not shown)	C5AZ-8501-E	73.95

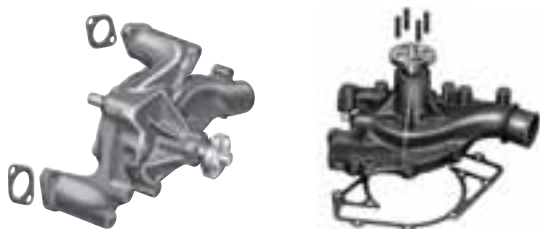

66-69	390, 427 & 428, V8	DOAZ-8501-A	79.95
-------	--------------------	-------------	-------

Remanufactured

If you are on a tight budget, our remanufactured water pumps are very economical. Our supplier, a U.S. based company that has been in business for more than 30 years, uses only top quality components like O.E.M.-grade seals & bearings. Call us so we can get one on its way to you, we know you'll be satisfied!

CORE NOTE: The remanufactured water pumps listed below are sold on an exchange basis. Your rebuildable **core must be returned in the rebuilders original box. The \$20.00 core fee will be refunded if your acceptable exchange is received within 90 days of purchase date.** All water pumps include the mounting gasket.

67-71	390, 427 & 428, V8.	C7AZ-8255-A	0.95
68-71	351C, V8.	C8SZ-8255-A	1.95
68-71	429, V8	C8SZ-8255-A	1.95

Thermostat Housings

Thermostat housings are usually made of cast aluminum & can therefore suffer serious internal pitting if old antifreeze is allowed to degrade over time & become corrosive. Leaks are common at the gasket & hose connection areas of these small housings, especially if this corrosion has eaten away at the gasket flange areas. This condition might require nothing more than new gaskets & sealer. But if corrosion & pitting are present, you might need to replace the entire thermostat housing with one of these quality units.

Concours

65-68	289 & 302, V8, from 3-1-65, for manifold without thermostat seat, aluminum casting	C5OZ-8592-A	23.95

Replacement Style

62-68	6 cylinder, 170 & 200, includes gasket, you must reuse your original pipe plug (shown)	C1DZ-8592-C	17.95
69-71	429, V8, includes gasket.	C8SZ-8592-A	24.95

Chrome Thermostat Housings

Brighten up your engine compartment with a little chrome sparkle. Expertly triple chrome plated for a long lasting shine & durability, these are the best on the market. Each housing is "O" ring sealed to make it leak proof. "O" ring & mounting hardware is included.

65-71	289, 302 & 351W, V8	C9OZ-8592-ACH	13.95
70-71	351C, V8	D1AZ-8592-ACH	13.95

Mega Copper Sealant

The solution to those times when a gasket just doesn't seal-our gasket in a tube! This is the same type as used in many places on most new cars built today. It replaces cork, rubber or any other type of cut gasket to form a leak-proof seal. Order some today—you'll love the "sealed for good" results. Exceeds O.E.M. standards, resists oil, water, antifreeze mixture, grease & transmission fluid, use it on water pumps, exhaust manifolds, valve covers, timing gear covers, transmission pans, water neck outlets or any place a high performance gasket is needed.

ALL	Mega copper sealant, 3 oz. tube . . .	A5251SEAL	4.95

Power Steering

1969	With 4-1/2" pulley, without A/C	8620-10758	12.95
1969	With 5-1/2" pulley, without A/C	8620-10775	12.95
1969	Fan & power steering, with A/C	8620-18854	12.95

1970 429 V8**Fan & Alternator**

1970	Alternator, except Cobra Jet.	8620-18689	12.95
1970	Alternator, Cobra Jet.	8620-18679	13.95
1970	Fan & idler, without A/C.	8620-10794	12.95
1970	Fan & power steering, without A/C, all including Cobra Jet.	8620-10864	13.95
1970	Fan & power steering, except Cobra Jet	8620-10868	17.95
1970	Fan & power steering, Cobra Jet . . .	8620-10858	13.95
1970	Fan, A/C & idlers, except Cobra Jet.	8620-10894	14.95
1970	Fan, A/C, idlers, Cobra Jet	8620-10884	13.95
1970	Fan to air pump, without A/C	8620-18689	12.95

1971 429 V8

1971	Alternator.	8620-18679	13.95
1971	Fan & idler, without A/C.	8620-10789	12.95
1971	Fan & power steering, without A/C	8620-10854	13.95
1971	Fan & power steering, with A/C	8620-10844	12.95
1971	Fan, A/C & idler.	8620-10884	13.95
1971	Fan to air pump, without A/C	8620-18689	12.95

Smithy's Mufflers

Remember that beautiful mellow tone all the hot rods used to have? It was the tone of a Smithy glass pack. Now your favorite ride can have that classic sound. Built today, they feature that nostalgic sound that only a Smithy's fiberglass-packed muffler produces. With a beautiful hammertone finish, 3-1/2" case diameter, either a 2" or 2-1/2" inlet & outlet & double end cap construction, not only do they look great, but they can be adapted to fit virtually any car or truck in your stable.

62-71 22" case, 2" inlet & outlet,
(1 or 2 required) H3010 39.95

62-71 "Smithy's" muffler decal,
show everyone why your V8
sounds so good. DZ309 4.95

Exhaust System Identification

The exhaust components listed in this catalog are designed for stock applications & are not to be used for performance applications.

Following is the complete list of components & their names. Not all systems use all parts.

- | | | |
|------------------------|---------------------------|---------------------|
| (1) Front Pipe/ Y Pipe | (4) Connector Pipe/ Front | (7) Tailpipe/ Front |
| (2) Intermediate Pipe | (5) Connector Pipe/ Rear | (8) Tailpipe/ Rear |
| (3) Resonator | (6) Muffler | |

These exhaust components are aftermarket replacement parts made from Huth replacement patterns. In many cases they are close to original, but they are not exact duplicates. Because of manufacturing & assembly variations between the factory installation & later replacements, it might be that several aftermarket parts are required to replace one original factory part. This method also allows us to ship all exhaust components by economical U.P.S. or U.S. Postal Service rather than by freight.

**1962 221 V8, Single Exhaust****With 1-3/4" Exhaust Pipe**

1962	Gasket, manifold to front exhaust pipe (2 required)	E039	1.95
1962	Gasket, front exhaust pipe	E466	1.95
1962	OS Intermediate pipe, right (#2 in diagram)	E26035	60.95
1962	Muffler, right, size inlet mating pipe to fit (#6 in diagram)	E19393	51.95
1962	Clamp, muffler inlet & outlet, right (2 required)	E743	1.95
1962	Tailpipe, rear, right (#8 in diagram)	E17340	12.95

With 2" Exhaust Pipe

1962	Front pipe, Y-pipe replacement (#1 in diagram)	E96034 *	100.95
1962	Gasket, manifold to front exhaust pipe (2 required)	E039	1.95
1962	Gasket, front exhaust pipe	E466	1.95
1962	OS * Intermediate pipe, front, right (#2 in diagram)	E26035	60.95
1962	Muffler, right, size inlet mating pipe to fit (#6 in diagram)	E19393	51.95
1962	Clamp, muffler inlet, right (2 required)	E743	1.95
1962	Tailpipe, rear, right (#8 in diagram)	E17340	12.95

1962, 6 Cylinder 170, Single Exhaust

1962	Front pipe, manual transmission (#1 in diagram)	E96029 *	38.95
1962	Front pipe, automatic transmission (#1 in diagram)	E96028 *	38.95
1962	Gasket, manifold to front exhaust pipe	E6075	2.95
1962	OS Intermediate pipe, front, right (#2 in diagram)	E26056	46.95
1962	Muffler, right, size inlet mating pipe to fit (#6 in diagram)	E19393	51.95
1962	Clamp, muffler inlet & outlet, right (2 required)	E743	1.95
1962	Tailpipe, rear, right (#8 in diagram)	E17340	12.95

1963-64, 260 & 289 V8 Single Exhaust with 4 bbl Carburetor

63-64	Gasket, manifold to front exhaust pipe (2 required)	E6249	2.95
1964	OS Intermediate pipe, front, right (#2 in diagram)	E16004	53.95
63-64	Clamp, muffler inlet	E755	1.95

1963-65, 6 Cylinder 200, Single Exhaust**Except Station Wagon**

63-65	Front pipe, manual transmission, right (#1 in diagram)	E08925 *	38.95
63-65	Front pipe, automatic transmission, right (#1 in diagram)	E08926 *	41.95
63-65	Gasket, manifold to front exhaust pipe	E6057	2.95
63-65	OS Intermediate pipe, front, right (#2 in diagram)	E26056	46.95

63-65	Clamp, muffler inlet & outlet (2 required)	E743	1.95
63-65	Tailpipe, rear (#8 in diagram)	E17340	12.95

Station Wagon

63-65	Front pipe, manual transmission, left (#1 in diagram)	E96080 *	38.95
63-65	Front pipe, automatic transmission, left (#1 in diagram)	E06091 *	38.95
63-65	Gasket, manifold to front exhaust pipe, left	E6057	2.95
63-65	OS Intermediate pipe, front, left (#2 in diagram)	E36001	49.95
63-65	Muffler, left, size inlet mating pipe to fit (#6 in diagram)	E19393	51.95
63-65	Clamp, muffler inlet & outlet, left (2 required)	E743	1.95
63-65	Tailpipe, rear (#8 in diagram)	E17340	12.95

1963-65, 260 & 289 V8, Single Exhaust with 2 bbl Carburetor**Except Station Wagon**

63-65	Front pipe, Y-pipe replacement, right (#1 on diagram)	E98955 *	93.95
63-65	Gasket, manifold to front exhaust pipe (2 required)	E6249	2.95
63-65	Intermediate pipe, front, right (#2 in diagram)	E26035 *	60.95
63-65	Muffler, right, size inlet mating pipe to fit (#6 in diagram)	E19393	51.95
63-65	Clamp, muffler inlet & outlet (2 required)	E743	1.95
63-65	Tailpipe, rear, right (#8 in diagram)	E17340	12.95

Station Wagon

63-65	Front pipe, Y-pipe replacement, left (#1 in diagram)	E98956 *	89.95
63-65	Gasket, manifold to front exhaust pipe (2 required)	E6249	2.95
63-65	Muffler, left, size inlet mating pipe to fit (#6 in diagram)	E19393	51.95
63-65	Clamp, muffler inlet & outlet (2 required)	E743	1.95
63-65	Tailpipe, rear, left (#8 in diagram)	E17340	12.95

1966, 6 Cylinder 200, Single Exhaust

1966	Front pipe, left (#1 in diagram)	E08906 *	38.95
1966	Gasket, manifold to front exhaust pipe	E6057	2.95
1966	OS Intermediate pipe, front, left, except station wagon (#2 in diagram)	E29333	34.95
1966	OS Intermediate pipe, front, left, station wagon (#2 in diagram)	E29332	38.95
1966	Clamp, muffler inlet	E677	1.95
1966	Hanger, exhaust pipe, except station wagon	E6864	4.95
1966	Hanger, muffler outlet, station wagon only	E7434	5.95

1966, 390 V8, Single Exhaust with Resonator

1966	Front pipe, Y-pipe replacement (#1 in diagram)	E98983 *	78.95
1966	Gasket, manifold to front exhaust pipe (2 required)	E6249	2.95
1966	Clamp, resonator inlet	E755	1.95
1966	Clamp, resonator outlet	E757	1.95
1966	Clamp, muffler inlet	E757	1.95
1966	Hanger, resonator, except station wagon & cars with Thermactor emissions	E6864	4.95
1966	Hanger, muffler, station wagon & cars with Thermactor emissions	E7434	5.95

* Requires additional handling charges

1966, 390 V8, Dual Exhaust

1966	Front pipe, H-pipe replacement, equalizer tube not included (#1 in diagram)	E98984 *	99.95
1966	Gasket, manifold to front exhaust pipe (2 required)	E6249	2.95
1966	OS Intermediate pipe, front (2 required) (#2 in diagram)	E93550	22.95
1966	Muffler, cut inlet off 3-3/8" (2 required) (#6 in diagram)	E19392	67.95
1966	Clamp, muffler inlet & outlet (4 required)	E743	1.95
1966	Tailpipe, rear, left (#8 in diagram)	E06077 *	48.95
1966	Tailpipe, rear, right (#8 in diagram)	E06076 *	48.95

1967, 6 Cylinder 200, Single Exhaust

With 1-3/4" Exhaust Pipe

1967	Front pipe, left (#1 in diagram)	E08906 *	38.95
1967	Gasket, manifold to front exhaust pipe, left.	E6057	2.95
1967	Intermediate pipe, front, left (#2 in diagram)	E89387 *	24.95
1967	Muffler, left, cut outlet off 1-3/8" & size to 1-7/8" (#6 in diagram)	E6416	62.95
1967	Clamp, muffler inlet	E743	1.95
1967	Clamp, muffler outlet	E611	0.95
1967	Tailpipe, rear, left, except station wagon & Ranchero (#8 in diagram)	E96012 *	39.95
1967	Tailpipe, rear, left, station wagon & Ranchero (#8 in diagram)	E96000 *	33.95
1967	Hanger, tailpipe, station wagon & Ranchero	E7434	5.95

With 2" Exhaust Pipe

1967	Front pipe, left (#1 in diagram)	E98907 *	41.95
1967	Gasket, manifold to front exhaust pipe	E6249	2.95
1967	Intermediate pipe, front, left (#2 in diagram)	E89370 *	16.95
1967	Muffler, left, cut outlet off 1-3/8" & size to 1-7/8" ID (#6 in diagram)	E6416	62.95
1967	Clamp, muffler inlet	E743	1.95
1967	Clamp, muffler outlet	E611	0.95
1967	Tailpipe, rear, left, except station wagon (#8 in diagram)	E96012 *	39.95
1967	Tailpipe, rear, station wagon (#8 in diagram)	E96000 *	33.95
1967	Hanger, tailpipe, station wagon	E7434	5.95

1967, 289 V8, Single Exhaust

With 2" Exhaust Pipe

1967	Front pipe, Y-pipe replacement (#1 in diagram)	E98976 *	140.95
1967	Gasket, manifold to front exhaust pipe (2 required)	E6249	2.95
1967	Intermediate pipe, front, left (#2 in diagram)	E89370 *	16.95
1967	Muffler, left, cut outlet off 1-3/8" & size to 1-7/8" ID (#6 in diagram)	E6416	62.95
1967	Clamp, muffler inlet	E743	1.95
1967	Clamp, muffler outlet	E611	0.95
1967	Tailpipe, rear, left, except station wagon & Ranchero (#8 in diagram)	E96012 *	39.95
1967	Tailpipe, rear, left, station wagon & Ranchero (#8 in diagram)	E96000 *	33.95
1967	Hanger, tailpipe, station wagon & Ranchero	E7434	5.95

1967, 289 V8, Single Exhaust

With 2-1/2" Exhaust Pipe

1967	Front pipe, Y-pipe replacement (#1 in diagram)	E98908 *	181.95
1967	Gasket, manifold to front exhaust pipe (2 required)	E6249	2.95
1967	Intermediate pipe, front, left (#2 in diagram)	E98904 *	43.95
1967	Muffler, left, cut inlet off 1-1/2" & size to 2-1/2" ID, size outlet to 2-1/4" ID (#6 in diagram)	E19377	51.95
1967	Clamp, muffler inlet	E755	1.95
1967	Clamp, muffler outlet	E757	1.95
1967	Tailpipe, rear, left (#8 in diagram)	E96005 *	41.95

1967, 390 V8, Single Exhaust

1967	Front pipe, Y-pipe replacement (#1 in diagram)	E98909 *	112.95
1967	Gasket, manifold to front exhaust pipe (2 required)	E6249	2.95
1967	Muffler, left, cut inlet off 1" & size to 2-1/2" ID, fabricate pipe, size outlet to 2-1/4" ID, (#6 in diagram)	E19375	54.95
1967	Clamp, muffler inlet	E755	1.95
1967	Clamp, muffler outlet	E757	1.95
1967	Tailpipe, rear, left, except station wagon & Ranchero (#8 in diagram)	E96013 *	22.95
1967	Tailpipe, rear, left, station wagon & Ranchero (#8 in diagram)	E86011 *	38.95
1967	Hanger, tailpipe, left, station wagon & Ranchero	E7434	5.95

1967, 390 & 427 V8, Dual Exhaust with Resonators

1967	Gasket, manifold to front exhaust pipe (2 required)	E6249	2.95
1967	Clamp, resonator inlet (2 required)	E743	1.95
1967	Clamp, resonator outlet (2 required)	E757	1.95
1967	Clamp, muffler inlet (2 required)	E677	1.95

1968, 6 Cylinder 200, Single Exhaust

1968	Front pipe (#1 in diagram)	E08035 *	51.95
1968	Gasket, manifold to front exhaust pipe	E6249	2.95
1968	Clamp, muffler inlet	E743	1.95
1968	Clamp, muffler outlet	E611	0.95

* Requires additional handling charges

The springs, clips & other parts that operate your brake shoes are subject to tremendous heat, corrosion & other elements, which tend to weaken them severely. Replace all springs, adjusters & other hardware while you're doing your

brake job & ensure proper performance. Replace the brakes on only one side of your car at a time. That way you can double check where every spring, clip & other small part goes, by looking at the other side.

Typical Front Drum Brake Assembly—Left hand shown

Typical Rear Drum Brake Assembly—Left hand shown

Front Brake Drum (2 required) _____

Front Hub (2 required) _____

62-70 10" drum diameter. C3OZ-1102-D 53.95

63-65 Must be pressed into brake drum,
5 lug wheels, V8 C3OZ-1104-A 75.95

Front Spindle Washer (2 required)

62-69 Front spindle washer. C2AZ-1195-A 8.95

Front Hub Grease Cap (2 required)

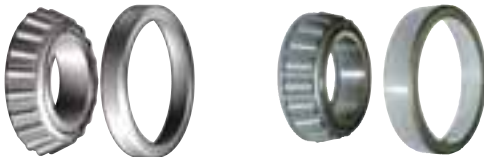

62-71 1-25/32" OD B5A-1131-A 5.95

Front Wheel Grease Seal (2 required)

62-69 Front wheel grease seal B5AZ-1190-A 3.95

Front Wheel Bearing Sets (2 sets required)

62-69 Inner front wheel, includes bearing & race (shown left) B5A-1201-ST 15.95 set
 70-72 Inner front wheel, includes bearing & race (shown right) . . DOAZ-1201-ST 15.95 set
 62-69 Outer front wheel, includes bearing & race. B5A-1216-ST 15.95 set
 70-71 Outer front wheel, includes bearing & race. DOAZ-1216-ST 15.95 set

Rear Brake Drums (2 required)

62-71 For 10" x 1-3/4" brakes, cast drum (shown) C3OZ-1126-B 53.95
 62-71 For 10" x 2" or 10" x 2-1/2" brakes, cast drum, finned. C3OZ-1102-D 53.95
 62-71 For 10" x 2" brakes, composite drum. C2OZ-1126-B 61.95

Brake Shoe Return Spring (8 required)

62-71 Front or rear, order 2 springs per brake drum 8A-2035 2.95

Brake Shoe Adjusting Spring (4 required)

62-71 Front or rear, 1 spring per brake drum C1SS-2049 2.95

Relined Brake Shoe Sets

Always measure your drum diameter & brake shoe width to make sure you get the correct set of shoes. We use an experienced & trusted brake shoe rebuilder to be able to provide our Ford customers with high quality relined brake shoes, for reliable braking performance. Replace all the brakes on your car at once, for consistent results at every wheel.

The relined brake shoes listed below are sold on an exchange basis. Your rebuildable core must be returned in the rebuilder's original package. **The \$40.00 core fee will be refunded if your acceptable exchange is received within 90 days of purchase date.**

Front

62-71 10" x 2-1/4", see core note above B5A-2001-ST 40.95 set
 62-71 10" x 2-1/2", see core note above C6OZ-2001-ST 40.95 set

Rear

62-68 10" x 1-3/4", see core note above B6A-2200-ST 40.95 set
 62-71 10" x 2", see core note above C6OZ-2200-ST 40.95 set
 63-71 10" x 2-1/2", see core note above C6OZ-2001-ST 40.95 set

Most manufacturers recommend the use of DOT 3 or DOT 4 for all classic car braking systems

Grease

Premium Timken brand wheel grease in a 1 lb. tub with special additives to prevent rust & reduce wear. A must have for installing new bearings & cups!

ALL 1 lb. container GREASE 5.50

Bearing Grease Packer Kit

Applies fresh grease evenly to virtually any bearing. The old grease is forced out onto the cone for easy clean up.

ALL Universal, 4-1/2" diameter cone X6150 9.50 kit

Seal Puller

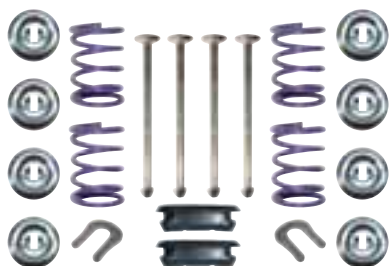

Use on any oil or grease seal. Place the tip behind the seal, press & pull.

ALL Universal, two tip sizes fit almost all applications. X1175 9.50

Brake Shoe Hold-Down Kits

Kits contain hold-down springs, cups, nails, "C" clips & brake adjusting hole plugs for 1 axle (2 wheels). "C" clips are also available separately order 91A-2106. Brake adjusting hole plugs are also sold separately order 8A-2092. Springs & hold-down nails, however, are NOT available separately.

62-71	Front, 10" x 2", 10" x 2-1/4" & 10" x 2-1/2" brakes	B5A-2068-KT	9.95 kit
62-71	Rear, 10" x 1-3/4" brakes	A9A-2068-KT	9.95 kit
62-71	Rear, 10" x 2" brakes	B5A-2068-KT	9.95 kit
62-71	Rear, 10" x 2-1/2" brakes	A9A-2068-KT	9.95 kit

Brake Shoe Star Wheel

Adjuster Assemblies (4 required)

62-71	Left, order 1 self-adjuster per brake drum (shown)	C4UZ-2041-A	6.95
62-71	Right, order 1 self-adjuster per brake drum	C4TZ-2041-A	6.95

Brake Shoe Adjuster Repair Kits (2 required)

The kits below contain 1 star wheel adjuster, 1 self-adjuster cable, 1 cable guide & 1 lever. Self-adjuster cables are also sold separately—order C2OZ-2A178, below.

62-71	Right, front or rear, order 1 kit per brake drum	C2AZ-2A176-KT	9.95 kit
62-71	Left, front or rear, order 1 kit per brake drum	C2AZ-2A177-KT	9.95 kit

Brake Self-Adjuster Cable (4 required)

62-71	Front or rear, 1 spring per brake drum	C2OZ-2A178	2.95
-------	--	------------	------

Brake Shoe to Wheel Cylinder Link (4 to 8 required)

62-71	10" brakes, order 2 links per wheel cylinder	B7A-2042-A	4.95
-------	--	------------	------

Brake Adjusting Hole Plug (4 required)

62-71	Rubber, order 1 plug per brake drum	8A-2092	0.95
-------	-------------------------------------	---------	------

Brake Shoe "C" Clip (horseshoe lock) (2 required)

62-71		91A-2106	0.75
-------	--	----------	------

Brake & Clutch Pedal Bushings (as required)

62-68	Brake & clutch pedal bushing	B7AZ-2471-B	1.95
69-71	Brake pedal bushing	B7AZ-2471-B	1.95

Brake Pedal Arm Bumper

Brake Hose Clip (as required)

65-71		78-2814	0.95
-------	-----------	---------	------

Ford started offering disc brakes on the Fairlane for the first time in 1967. In fact, they were standard on the GT but were available as an option on all other models. If your car has front disc brakes & you need parts, you're in luck. We have disc brake parts for every year from 1967 right thru 1971.

Disc Brake Rotors (2 required)

1967	One-piece hub & rotor assembly.	C5ZZ-1102-B	79.95
68-69	One-piece hub & rotor assembly.	C8OZ-1102-A	79.95
70-71	One-piece hub & rotor assembly.	DOOZ-1102-B	79.95

Disc Brake Pads

1967	Disc brake pad set	C5ZZ-2001-ST	31.95 set
1967	Disc pad retainer (2 pair required).	C7OZ-2B164-C	16.95 pair
68-71	Disc brake pad set	DOOZ-2001-ST	20.95 set

Bleeder Screw (2 required)

Disc Brake Caliper Seal Kits (2 kits required)

1967	1 per caliper	C7ZZ-2221-KT	17.95 kit
68-71	1 per caliper	C8OZ-2221-KT	11.95 kit

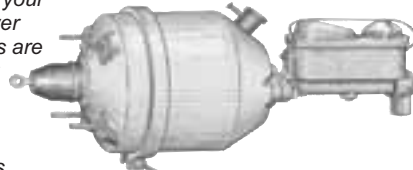

Disc Brake Caliper Bolt (4 required)

68-71	2-5/64" long.	C8AZ-2B296-AE	3.95
-------	-----------------------	---------------	------

Power Brake Booster & Master Cylinder Assembly

Since there is a shortage of cores, you will have to send your original unit in for us to rebuild. We will completely clean, inspect & rebuild it. Include your daytime phone number so we can contact you if necessary. Usual turnaround time is 2 to 3 weeks from the date we receive your rebuildable unit. Our power brake booster assemblies are intended for replacement of defective units only. They are not intended for conversion from manual to power systems.

62-71	All models	PB-CUSTOM	210.95
-------	----------------------	-----------	--------

Power Brake Booster Firewall Seal

- 66-71 Firewall seal for power brake booster push rod, with Bendix or Midland power booster COAA-2A021-A 11.95

Power Brake Booster Hose Clamp

- 62-69 Clamp, for power brake booster hose, 2 pieces. C9ZZ-2342 2.95 pair

Master Cylinders, New

- 62-65 Drum brakes, without power brakes (shown). COAZ-2140-B 69.95

MAC's Tire Prices Can't Be Beat!

Your authentic restoration isn't complete until you add the correct sized tires. MAC's carries 13" & 14" tires in several whitewall widths & we also have a selection of 14" single & dual redline tires. We even have the, huge for the day, F60x15 raised white letter Goodyear Polyglas GT's for the 429 Cobra cars. When you are ready to buy vintage tires call MAC's & we'll be happy to send them right to your door.

OS All tires are over-sized & require additional shipping charges. If tires must be shipped to MAC's, there will be an additional charge of \$15 per tire to help cover shipping expenses. This applies to any Alaska, Hawaii, Puerto Rico, Foreign, COD or walk-in order. There will be no exceptions.

DON'T EVEN THINK ABOUT IT...

Need New Tires?

Make your classic Ford drive & handle like it did the day it rolled off the showroom floor by completely rebuilding your steering & suspension systems. Many years of faithful driving duty, plus all of those unexpected pot holes have taken their toll. Replace worn components & put the joy of driving back into your car.

Idler Arm Bushings

All O.E.M. & most aftermarket idler arms use bushings. Some aftermarket idler arms use bearings. If your idler arm currently utilizes bearings, you will have to purchase an idler arm (see above). These bushings cannot be used in an idler arm designed for bearings as the design of the arm is different.

Remanufactured Power Steering Pumps

The heat & pressure inside of a power steering system can lead to excessive wear & annoying, hard-to-find leaks. We're proud to offer these guaranteed quality remanufactured power steering pumps for your Ford engine. They look as good as they perform! Call & order today.

Please, do not send your pulley with your core! Our remanufactured power steering pumps are sold on an exchange basis. Your rebuildable core must be returned in the rebuilder's original package. The core fee will be refunded if an acceptable exchange is received within 90 days of purchase date.

Eaton Pump Note: When sending in your Eaton pump core, do not send the reservoir. Your remanufactured pump will not include a reservoir.

Power Steering Pump Hoses

Few people realize just how much pressure is inside a typical power steering system. But if you have ever seen a power steering hose burst, you know that it can send hot, oily fluid spraying all over everything & if the hood is open, will spray many feet in all directions.

Age, heat & corrosive elements all contribute to the weakening of all power steering hoses & fittings. Look closely at the power steering hoses on your classic Ford. If you see age cracks, worn places, rusted fittings, or stiffened areas, replace them with brand new power steering hoses now, before they fail.

Are you hearing all kinds of squeaks & groans from your front suspension? Unless someone came by & regularly greased your car while it sat unused for "X" number of years, all the rubber is dry-rotted. Don't take a chance with your suspension, replace those upper & lower shafts, bushings & ball joints to make your car safe.

SHOCKING DEVELOPMENTS

Mixing Gas and Hydraulic shocks on your car can cause trouble. Suspension Geometry will be adversely effected by the mixing of Hydraulic shocks on one axle and Gas shocks on the other. When you are replacing only 2 shocks, make sure you put the same type as the 2 you still have installed.

HYDRAULIC AND GAS DON'T MIX

Hydraulic shocks are difficult to find! Our supplier has shipped us all that were left. When these are gone, no more will be available.

SPRINGS ARE SOLD ONLY IN PAIRS

Standard duty springs are original-equipment quality & designed to carry loads up to the rated capacity of the vehicle. If your vehicle does not have the factory engine or body, or any weight distribution modifications have been made, the use of these could result in unacceptable suspension performance & excessive tire wear. Call our helpful phone staff with any questions on springs, stock or heavy duty. They will be glad to assist.

To be sure you get the correct spring, please provide the following information.

Year	
Make	
Model	
Body Style	
Engine Size	
# Cylinders	
Transmission	
With A/C	
Std or Heavy Duty Suspension

SHOCK ABSORBERS

MAC's Antique Auto Parts offers 3 brands of shock absorbers for Fairlane & Torino:

Motorcraft: Ford service replacement shock absorbers. These heavy-duty gas-charged shock absorbers are factory warranted for one year from the date of purchase.

Cure-Ride: Specialty shock manufacturer since 1937. These American-made gas-charged shock absorbers are factory warranted for one year from the date of purchase.

Monro-Matic Plus: Made in America by the Monroe Auto Equipment Company, these gas-charged shock absorbers are factory warranted for one year from the date of purchase.

Front Shock Absorbers

- | | | | |
|-------|---|---------------|------------|
| 62-65 | Gas-charged, Cure-Ride | C4OZ-18124-CG | 76.95 pair |
| 66-71 | Gas-charged, heavy-duty, all models, except Cobra, Monro-Matic Plus (2 required) | C6OZ-18124-M | 27.95 |

Front Shock Mount (2 required)

- | | | | |
|-------|----------------|-------------|-------|
| 65-71 | Lower. | C7OZ-3388-B | 26.95 |
|-------|----------------|-------------|-------|

Rear Shock Absorbers

- | | | | |
|-------|---|-------------|-------|
| 62-65 | Gas-charged, heavy-duty, Motorcraft (2 required) | B7A-18125-F | 39.95 |
| 62-65 | Gas-charged, heavy-duty, Monro-Matic Plus (2 required) | B7A-18125-M | 27.95 |

- | | | | |
|-------|---|--------------|------------|
| 62-65 | Gas-charged, Cure-Ride | B9A-18125-CG | 76.95 pair |
| 66-71 | Gas-charged, heavy-duty, except station wagon & Cobra, Motorcraft (2 required) | B7A-18125-F | 39.95 |

- | | | | |
|-------|---|--------------|------------|
| 66-71 | Gas-charged, heavy-duty, except station wagon & Cobra, Monro-Matic Plus (2 required) | B7A-18125-M | 27.95 |
| 66-71 | Gas-charged, Cure-Ride | B9A-18125-CG | 76.95 pair |
| 66-71 | Gas-charged, heavy-duty, station wagon & Ranchero, Monro-Matic Plus (2 required) | C6OZ-18125-M | 27.95 |

REAR AXLE

Rear Axle Flange Gasket (2 required)

- | | | | |
|-------|---|-------------|------|
| 65-70 | 2-7/8" ID, 4 holes, before 9-30-69. | C1AZ-1001-A | 1.95 |
|-------|---|-------------|------|

Rear Wheel Grease Seals (2 required)

- | | | | |
|-------|--|-------------|-------|
| 62-64 | 1-23/64" ID x 2-5/8" OD | C2OW-1177-A | 11.95 |
| 62-67 | 1-3/8" ID x 2-3/8" OD (shown) | B7A-1177-B | 6.95 |
| 65-67 | 8 cylinder 427, 1-1/2" ID x 2-17/64" OD | C7OZ-1177-A | 4.95 |
| 69-71 | With 31 spline axle, 1-1/2" ID x 2-17/64" OD | C7OZ-1177-A | 4.95 |

Rear Wheel Bearing & Parts (2 required)

- | | | | |
|-------|--|-------------|-------|
| 62-71 | Rear wheel bearing | B7AZ-1225-A | 29.95 |
| 62-69 | Gasket for rear wheel bearing retainer | A8AZ-1001-A | 1.95 |
| 62-69 | Gasket for backing plate to axle housing | 8A-2256 | 3.95 |

Cover Gaskets

- | | | | |
|-------|---|-------------|------|
| 62-70 | 6-3/4" & 7-1/4" ring gear | C1DZ-4036-A | 3.95 |
| 62-71 | 8" ring gear | C9OZ-4035-A | 3.95 |
| 62-71 | 8-3/4" & 9" ring gear (shown) | B7A-4035-A | 3.95 |

Ring & Pinion

62-71 9" ring gear, 3.25:1 gear ratio B8AZ-4209-C 299.95

Pinion Shaft

62-71 7-3/4", 8", 8-3/4" or 9" ring gear,
2 pinion conventional
rear end, **Genuine Ford** B7AZ-4211-A 27.95

Center Section Bearings & Races (2 required)

61-64 1-1/2" ID, small bearing,
7-1/4" ring gear C1UW-4221-A 22.95
62-70 1-5/8" ID, medium bearing
(shown) B7A-4221-A 19.95
62-70 1-25/32" ID, large bearing B7A-4221-B 19.95
67-68 1-1/2" ID, small bearing,
7-1/4" ring gear C1UW-4221-A 22.95
70-71 Slim line bearing, 9" ring gear,
from 5-13-70 C9AZ-4221-A 19.95

Pinion Bearing Sets

One set contains 1 bearing & 1 race.

62-71 7-3/4" & 8" ring gear,
front or rear, 28 spline shaft
(2 sets required) CODW-4616-ST 16.95 set
63-71 8-3/4" & 9" ring gear,
front or rear, 28 spline shaft
(2 sets required) (shown) B7A-4616-ST 20.95 set
67-71 9" ring gear, front,
31 spline shaft B7A-4616-ST 20.95 set
67-71 9" ring gear, rear,
31 spline shaft TBAA-4616-ST 42.95 set

Pinion Pilot Bearing Retainer

62-71 8-3/4" or 9" ring gear,
Genuine Ford B7AZ-4627-A 3.95

Pinion Bearing Spacer

62-71 Spacer (crush collar), 8-3/4" or 9"
ring gear, **Genuine Ford** B7A-4662-A 7.95

Pinion Bearing Retainer "O" Ring

62-71 "O" ring, 4-3/4" ID, **Genuine Ford** B7A-4669-B 3.95

Pinion Oil Seals

62-67 7-1/4" or 8" ring gear C2OZ-4676-B 10.95
63-71 9" ring gear (shown) B8A-4676-B 11.95

Universal Joint

66-71 With 3-7/8" yoke, front. 4635-UJ754 16.95

Grease

Premium Timken brand wheel grease in a 1 lb. tub with special additives to prevent rust & reduce wear. A must have for installing new bearings & cups!

ALL 425 gram container GREASE 5.50

Bearing Grease Packer Kit

Applies fresh grease evenly to virtually any bearing. The old grease is forced out onto the cone for easy clean up.

ALL Universal, 4-1/2" diameter cone X6150 9.50 kit

Seal Puller

Use on any oil or grease seal. Place the tip behind the seal, press & pull.

ALL Universal, two tip sizes fit
almost all applications. X1175 9.50

Can there be a more overworked or more underappreciated part of your Ford than the lowly motor or transmission mount?

Every time we rev our high-powered Ford engines, the poor mounts are stretched almost to the point of tearing apart. Every little oil leak seems to find its way to the sensitive rubber part of every mount, while exhaust & engine heat combine to cook mounts into an early grave. Yet, these motor & transmission mounts have the vital tasks of keeping our drive trains properly centered & safely anchored under every condition, while also isolating engine vibrations from the chassis & passenger compartment.

Have a heart & replace those worn & weakened motor & transmission mounts today!

Motor Mounts

These motor mounts do not include mounting hardware.

6 Cylinder

66-68 200, right or left (2 required) C3DZ-6038-E 14.95
V8

62-64 Motor mount, 221, 260 & 289 V8 (2 required) C2OZ-6038-A 39.95
1964 Motor mount, upper donut, HiPo 289 (2 required) C2OZ-6039-A 19.95
62-64 Motor mount, upper donut, 170 & 200 (2 required) C2OZ-6039-A 19.95
66-68 289, right or left (2 required) (not shown) DOZZ-6038-B 17.95

66-69 390, right C5AZ-6038-C 14.95

Manual Transmission to Block Spacer Plates _____

64-65	260 & 289 V8, 5 bolt	C2OZ-7007-C	49.95
65-68	289 V8, 6 bolt	C5DZ-7007-A	40.95
69-73	Manual transmission to engine block, 302 (not shown) . .	C9DZ-7007-A	51.95

Manual Transmission Extension Housing Bushings _____

1962	All 2-15/16 design 3-speed	B3TZ-7A034-A	5.95
63-65	V8 with Warner 4-speed	B3TZ-7A034-A	5.95
63-71	All 3.03 design 3-speed	B3TZ-7A034-A	5.95
65-66	6 cylinder 200 with 2.77 design 3-speed	B3TZ-7A034-A	5.95
65-68	289 & 390 V8 with Ford 4-speed .	B3TZ-7A034-A	5.95
1969	351 & 390 V8 with Ford 4-speed .	B3TZ-7A034-A	5.95

Manual Transmission Extension Housing Seals _____

1962	All 2-15/16 design 3-speed	21C-7052	5.00
63-65	V8 with Warner 4-speed	C2AZ-7052-A	9.95
63-71	221, 260 & 289 V8 with 3.03 design 3-speed	21C-7052	5.00
64-69	V8 with Ford 4-speed, except 427, 428 & 429	21C-7052	5.00
65-66	6 cylinder 200 with 2.77 design 3-speed	21C-7052	5.00
69-71	351 & 390 V8 with tag number RUG-C, D, J, AH, AR & AT Ford 4-speed	21C-7052	5.00

Manual Transmission Gasket Sets _____

1962	All 2-15/16 design 3-speed	B8AZ-7153-A	14.95 set
------	--------------------------------------	-------------	-----------

63-71	All 3.03 design 3-speed	C3AZ-7153-F	6.95 set
-------	-----------------------------------	-------------	----------

64-71	V8 with Ford 4-speed, not for Borg-Warner T-10 transmission, Genuine Ford	C4AZ-7153-B	18.95 set
-------	--	-------------	-----------

Overdrive Transmission Parts _____

62-67	NEW Overdrive housing bushing, 221, 260 & 289 V8	B3TZ-7A034-A	5.95
62-67	NEW Overdrive housing seal, 221, 260 & 289 V8	21C-7052	5.00
62-67	NEW Overdrive solenoid seal, 221, 260 & 289 V8	26H-7693	9.95
62-67	NEW Overdrive cable assembly, includes 80" of cable, nut hardware, chrome plated die-cast metal handle with "OVERDRIVE" lettering, an aluminum end sleeve, a crimping tool & easy to follow instructions for shortening the cable, 221, 260 & 289 V8	A9AZ-7A650-A	49.95
62-67	NEW Handle, "OVERDRIVE", chrome die cast, includes set screw, 221, 260 & 289 V8	A9AZ-7A650-HNDL	20.95

Clutch Pedal Bushing (as required) _____

62-68		B7AZ-2471-B	1.95
-------	-----------	-------------	------

Clutch Pedal Return Spring _____

68-71	Installs at the top of the clutch arm, the 2 nylon bushings are installed, fits 200 & 250 6 cylinder & 289 & 302 V8	C8OZ-7534-B	31.95
-------	---	-------------	-------

Clutch Pedal Rod Seal _____

66-71		C6OZ-7A533-CR	9.95
-------	-----------	---------------	------

Clutch Pedal Lever Retracting Spring _____

62-65		C2AZ-7534-AR	15.95
-------	-----------	--------------	-------

Clutch Pedal Spring Insulator _____

62-65	NEW U-shaped, the springs hooks onto this	C1AA-7A630-A	3.95
-------	--	--------------	------

Clutch Pedal Stop & Bracket _____

60-61	Attaches to the side of the clutch & brake pedal support under the dash, includes the rubber block that is the clutch pedal stop	C2OZ-7A530-A	34.95
-------	--	--------------	-------

Clutch Pedal Arm to Equalizer

Bar Rod Bushing (as required) _____

62-71	3/8" ID, nylon.	COAZ-7526-BR	2.95 pair
-------	-------------------------	--------------	-----------

Clutch Forks

62-66	6 cylinder, with 2.77 transmission, before 2-14-66 . . .	C3DZ-7515-B	60.95
62-68	Clutch fork anti-rattle spring	C6AZ-7562-AR	3.95
65-68	Before 2-15-68, 9-1/4" long, 289 & 302 V8 (not shown)	C5OZ-7515-B	56.95

1968	From 2-15-68, 10-1/2" long, 289 & 302 V8 (shown)	C8OZ-7515-A	56.95
68-69	NEW 12" long, 428CJ	C8OZ-7515-D	105.95
1969	NEW 12" long, 250 6 cylinder, 3021 & 351 V8	C8OZ-7515-D	105.95

Clutch Fork Brackets

62-68	V8 before 2-15-68 (shown)	B9AZ-7522-A	16.95
65-68	6 cylinder before 2-15-68	C2DZ-7522-B	24.95
68-71	6 cylinder from 2-15-68	C8OZ-7522-A	24.95
68-71	V8 from 2-15-68	C8AZ-7522-A	20.95

Clutch Fork Dust Boots

63-64	6 cylinder & V8 with 3.03 design Ford 3-speed or Warner 4-speed . . .	C3AZ-7513-A	13.95
63-65	6 cylinder with 2.77 design 3-speed transmission (shown)	C3OZ-7513-A	13.95
1965	Except 3.03 design 3-speed transmission (shown)	C6OZ-7513-CR	13.95
66-68	6 cylinder 200 with manual 3.03 3-speed transmission (shown) .	C6GY-7513-AR	17.95
66-69	390, 427 & 428 V8, 4-speed transmission	C6OZ-7513-A	17.95
66-69	NEW 390, 427 & 428 V8, 4-speed transmission, this one is made using the original Ford tooling	C6OZ-7513-AR	28.95
66-71	6 cylinder 250, 289, 302 & 351 V8	C6OZ-7513-CR	13.95

Equalizer Bar to Clutch Fork Rods

1967	8-1/4" long, 200 6 cylinder	C7OZ-7521-A	27.95
1968	Cut to fit, 200 6 cylinder, 289 & 302 V8	C8OZ-7521-B	23.95
68-70	Clutch fork rod adapter, attaches at fork	C8OZ-7B535-A	20.95
69-71	Adjustable, 250 6 cylinder, 302 & 351 V8	C9OZ-7521-A	17.95

Insulator for Clutch Fork Rod (2 required)

62-65	Rubber.	C3AZ-7A641-A	2.95
-------	-----------------	--------------	------

Equalizer Bar to Clutch Release Lever Rod

1966	6 cylinder.	C6OZ-7521-E	41.95
------	---------------------	-------------	-------

Clutch Fork Rod Swivels

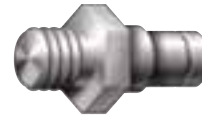

67-69	Except 390 & 428.	D1DZ-7A528-B	12.95
1970	Except 429	D1DZ-7A528-B	12.95

Clutch Linkage "Hairpin" Clip

66-71	NEW 4 pieces	352358-ST	2.95 set
-------	-------------------------------	-----------	----------

Clutch Equalizer Bar Pivots

62-65	Engine side	C2OA-7A531-B	15.95
1969	Engine side, 6 cylinder & 302 & 351W V8	C2OA-7A531-B	15.95
70-71	Engine side, 6 cylinder & V8, except 429	C2OA-7A531-B	15.95

Equalizer Bar Socket Retainer

1970	Equalizer bar socket retainer, 429 V8 with 4-speed	C5AZ-7B545-A	3.95
------	--	--------------	------

Clutch Equalizer Bar Shaft Balls

62-71	3/4" OD x 7/16" ID x 1/2" thick, 6 cylinder (2 required)	C1DD-7543-AR	2.95
62-71	3/4" OD x 7/16" ID x 1/2" thick, V8, except 390, 427, 428 & 429 (2 required)	C1DD-7543-AR	2.95
69-71	1" OD x 5/8" ID x 1/2" thick, 390, 428 & 429	C1AA-7543-AR	2.95

Clutch Equalizer Bar Shaft Ball Retainers (2 required)

65-70	"C" type, 6 cylinder & V8.	C1DD-7A629-A	3.95
1971	"C" type, 250, 302 & 351.	C1DD-7A629-A	3.95

Clutch Equalizer Bar Repair Kits

Each 6-piece kit provides all the items needed to replace the most commonly worn out parts on your equalizer bar. You'll find 2 equalizer shaft balls & 2 felt washers plus 2 clevis pins to hold everything in place.

62-71	6 cylinder.	C1DD-7543-KT	13.95 kit
62-64	V8	C1DD-7543-KT	13.95 kit
65-71	V8, except 390, 427, 428 & 429	C1DD-7543-KT	13.95 kit
65-71	V8 390, 427, 428 & 429	C1AA-7543-KT	15.95 kit

Throw-Out Bearing & Hub & Assemblies

62-71	221, 260, 289 & 302 V8	MB-7561-SET	27.95 set
66-69	390 V8, except GT, with 11" clutch	MB-7561-SET	27.95 set

Now you have a choice. If your hub is in good shape, re-use it & save some money. All you have to do is simply press the old bearing off & press our new bearing on.

62-71	NEW Bearing only, 221, 260, 289 & 302	8A-7580-A	19.95
66-69	NEW Bearing only, 390, except with 11-1/2" clutch.	8A-7580-A	19.95

Clutch Pilot Bearings

62-64	6 cylinder with 2.77 design 3-speed transmission	CODD-7600-A	6.95
62-64	All with Dagenham 4-speed transmission	CODD-7600-A	6.95
62-66	6 cylinder with 3.03 design or 2-15/16 design 3-speed transmission	C2OZ-7600-A	6.95
62-67	260 & 289 V8	C2OZ-7600-A	6.95
66-69	390, 427 & 428 V8 (shown)	B8A-7600-A	7.95

Clutch Discs & Pressure Plates

The clutch discs & pressure plates listed below & at the top of the next page are new. Do not send in your old unit as a core exchange.

6 Cylinder Clutch Disc, 3-Speed Transmission

62-65	8-1/2" diameter, 10 spline, 170 with 2.77 design	C5DZ-7550-A	45.95
62-65	8-1/2" diameter, 10 spline, 200 with 2.77 design	C5DZ-7550-A	45.95
67-68	9" diameter, 10 spline, 200 with 3.03 design (not shown)	C7OZ-7550-C	62.95

6 Cylinder Pressure Plate, 3-Speed Transmission

62-65	8-1/2" diameter, 170 with 2.77 design	C5OZ-7563-B	139.95
1965	8-1/2" diameter, 200 with 2.77 design	C5OZ-7563-B	139.95

1966	9" diameter, 200 with 2.77 design.	C6DZ-7563-C	102.95
67-68	9" diameter, 200 with 3.03 design.	C6DZ-7563-C	102.95

69-71	10" diameter, 250	19A-7563	94.50
-------	-----------------------------	----------	-------

V8 Clutch Disc

62-64	10" diameter, 23 spline, 221 with 3-speed transmission	C2OZ-7550-C	55.95
63-65	10-1/2" diameter, 10 spline, 289 Special with 4-speed transmission	C7ZZ-7550-B	58.95
1965	10-1/2" diameter, 10 spline, 289, except Special	C7ZZ-7550-B	58.95
66-69	11" diameter, 10 spline, 390 (shown)	C6AZ-7550-A	58.95
69-71	11" diameter, 10 spline, 351	C6AZ-7550-A	58.95

V8 Pressure Plate

63-65	10-1/2" diameter, 289 Special with 4-speed transmission.	C7ZZ-7563-B	72.95
1965	10-1/2" diameter, 289, except Special	C7ZZ-7563-B	72.95
66-68	10" diameter, 289	19A-7563	94.50
66-69	11" diameter, 390	51-7563	105.00
68-71	10" diameter, 302	19A-7563	94.50

Clutch Alignment Tools

This tool makes the difficult job of lining up your clutch disc with the pilot bushing easy! If you don't have one, get one today, you'll thank us when you install your clutch!

This 10 spline, 1-1/16" diameter tool fits the following

62-64	170 6 cylinder	S7550A	7.95
1963	221 V8	S7550A	7.95
63-64	260 V8	S7550A	7.95
66-69	200 6 cylinder	S7550A	7.95
66-69	390 V8	S7550A	7.95
68-71	302 & 351 V8	S7550A	7.95
69-71	250 6 cylinder	S7550A	7.95

This 10 spline, 15/16" diameter tool fits the following

62-64	170 6 cylinder	X7550A	7.95
65-66	200 6 cylinder	X7550A	7.95
69-73	428 V8 (shown)	A7550T	3.95

This 23 spline, 1" diameter tool fits the following

1962	221 & 260 V8	F7550B	7.95
------	--------------	--------	------

Manual Transmission Flywheel Ring Gears

6 Cylinder

66-67	136 teeth, 200, 3-speed manual transmission	C6DZ-6384-A	29.95
69-71	157 teeth, 250, manual transmission	C2OZ-6384-B	27.95

68-69 289 & 302 V8s before 5-1-69, chrome, reproduction C6AZ-18599-C 23.95

Heater Blower Motors & Gasket

You might need a bit of heat in your classic, especially for those early spring cruises when the sun goes down & it's a little "brisk." That heat will circulate so much better with a new blower motor, order yours today!

62-71 Motor, non-vented, 5/16" output shaft 18527-1773 64.95
66-71 Motor, vented (not shown) 18527-2714 58.95
65-69 Motor mounting gasket C1UF-18583-A 6.95

Heater Blower Motor Resistor

62-67 C2OA-18591-AR 22.95

Defroster Hose (as required)

Measure the inside diameter & length of the hose you are replacing before ordering.

62-71 2-1/2" ID x 36" long, sold by the piece B5A-18556-C 19.95

Defroster Ducts

66-67 For cars with heater only. C6OZ-18490-A 101.95
65-67 For cars equipped with factory A/C. C7OZ-18490-AC 103.95

Heater or Air Conditioner Control Knob Set

68-69 3 pieces C8GY-18519-ST 50.95 set

The Ford Motor Company used good quality components on their Fairlane/Torino air conditioning systems & many remained functional for many years into the later life of their cars, if they were kept properly charged & maintained. While we all love driving our classic Fords to various car shows & cruise-ins all summer long, there are often days when nice, cold air conditioning makes summer events much more enjoyable. Here at MAC's we have a wide assortment of parts for your factory Ford air conditioning system. Call today!

Remanufactured Air Conditioner Compressors

All the compressors listed are replacements for the O.E.M. factory-installed air conditioner units, they are NOT correct for dealer-installed "Hang-On" units. See the illustrations below for help identifying your compressor. All compressors listed are complete but do not include external parts, such as brackets, clutches, connectors, etc. No core exchange is required. Do not send us your original unit.

Make your Ford's doors, hood, deck lid & windows shut nicely, while keeping out noisy wind & weather with beautiful new weatherstripping from MAC's Antique Auto Parts. We researched products from all the manufacturers & selected the finest quality rubber parts for your car. Sadly, a few restorers make the mistake of overlooking "minor" parts like door seals, convertible top rubber, trunk seals & window rubber. But you can tell the difference when they close their doors or slam a trunk lid. The harsh "clunking" sound is a dead giveaway. Also, with shrunken old rubber, many panels don't fit together properly either. Restore the original fit & function of the doors & other panels on your car, by installing brand new top quality weatherstripping. You'll be glad you did.

68-69	Convertible	C8OZ-7602626-PR	57.95 pair

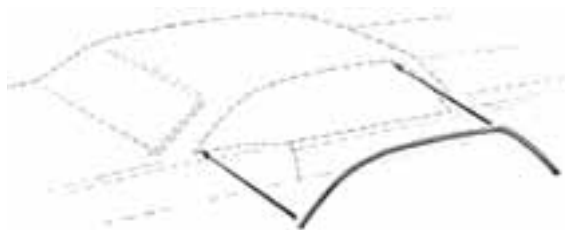

What's the best adhesive to use? For door & glass seals it's our RSP28, of course!

62-71 Window rubber & felt glass channel adhesive, black, 3M brand, 5 oz. tube, perfect for door & roof rail seals RSP28 9.25

Roof Rail Seals

When you wash your car does water run down the inside of your windows? If that's the case, your roof rail seals need to be replaced. We carry them for Fairlanes & Torinos from '63 thru '71 & the Ranchero from '68 thru '71. See listings on previous page for '66 thru '69 convertible roof rails seals.

| 66-67 | Gray color as original | C6OZ-13038-A | 5.95 |
|-------|----------------------------------|--------------|------|

Headlight Socket & Wires (2 required)

How many times have we all seen gorgeous cars at various events, with weak or unmatched lights? It makes an otherwise nice car seem "half-baked," yet it is so easy to fix this simple problem. For example, when you see a car with one bright & one dim headlight, the problem is usually a bad ground. Often with a new headlight socket with new wires securely connected & grounded, this nagging problem will go away forever.

- | | | | |

| 1969 | Pads, front & rear, 4 pieces . . . | C9AZ-15A447-ST | 2.95 set |

Plastic lenses are another easy fix. Old lenses & gaskets that are unbroken will sometimes be left in place by a restorer, until that person parks next to a similar car with beautiful brand new reproduction lenses. The old faded & dull lenses look very weak by comparison & dirty, cracked gasket edges look shabby sticking out from behind the lens. One comparative look from the new restorer & at the next show you can be sure that BOTH cars will have new lenses. Put new light bulbs, lenses, gaskets & connectors on your Ford & brighten your "outlook!"

Tiny little light bulbs are so affordable & can seem so insignificant. But when you're driving your classic Ford after dark, they are so important! That nagging "dark spot" on your dash will drive you nuts ... especially if it is supposed to be illuminating important gauges, like temperature or oil pressure & no one needs to tell you how important tail lights & side marker lights are for safety.

Don't trust old bulbs that might be near the end of their lives. Replace all of those inexpensive dash bulbs whenever you get

behind the instrument cluster or radio panel & never reuse old tail light or side marker bulbs. Murphy's law dictates that they will fail at the worst possible time & place (this is well known by most car restorers!) MAC's is proud to offer all the bulbs for your Fairlane/Torino. Call today, we're glad to help.

MAC's stocks the hard to find light bulbs for your classic car. From the parking lights to the dome light all the way back to the tail lights we have them all. If you need one bulb or all of the bulbs, call today!

MAC's Has the Best Radios...

& best of all, they fit your factory original dash opening!

IMPORTANT INSTALLATION INFORMATION:

All stereo equipment on these two pages require a 12 volt negative ground. Use of any other ground will destroy the radio. All of these radios are engineered to fit the original dash opening with no cutting, grinding or snipping; in fact, no modifications at all. All brackets, wiring & plugs, mounting hardware, a chrome bezel & original-looking chrome knobs along with installation instructions complete the package. All of our radios carry the manufacturer's 2-year limited warranty.

USA-1

AM/FM Cassette Stereo Radio

Our standard radio has more than just "standard" features. It offers all of the features listed below plus 200 (4 x 50) watts of power. Add to that a chrome nosepiece & reproduction knobs & you have a radio that mimics the look of an older radio, but plays like a contemporary high-powered one.

- Electronic Volume & Tuning Controls
- 30 Station Presets (12 AM, 18 FM)
- Power Antenna Lead
- Front to Rear Fader
- Auxiliary input (RCA, Rear, 1/8" jack)
- Left & Right Balance Control
- Auto Reverse
- Preset Memory Scan
- Dual RCA Pre-out
- Fast Forward & Rewind
- Separate Bass & Treble
- Seek & Scan

68-69	 C8OZ-18806-CA1	222.95
70-71	 DOOZ-18806-CA1	222.95

USA-630

AM/FM Stereo Radio

This radio is equipped with all the great features of the USA-1, plus it gets a bump in power, up to 240 watts (4 x 60). In addition to that, it has the ability to control all the functions of our 10-disc CD player, the USA-CD10, built right in. With the standard chrome nosepiece & chrome knobs this radio has the correct nostalgic look, but with all the features you have become accustomed to in your modern car. Since it fits in your dash with no modifications at all & complete wiring directions are included, installation is quick & easy.

- AM/FM/USB Flash Drive Player
- 16 Station Presets (4 AM, 12 FM)
- Left & Right Balance Control
- Power Antenna Lead
- Auxiliary input (RCA, Rear, 1/8" jack)
- Separate Bass & Treble
- Electronic Volume & Tuning Controls
- Alpha-numeric Display for MP3/WMA Files
- Digital Clock
- USA/Euro Tuner
- Preset Memory Scan
- CD changer control
- Front to Rear Fader
- 4 Channel RCA Pre-outs

USA-CD10

PLAY CDs IN YOUR CLASSIC CAR!

This 10-disc CD/CDR & CD-RW changer fits easily under your seat or in the trunk (11-3/8" wide x 2-7/8" high x 7-5/8" deep). It can be mounted horizontally or vertically. It's a simple one cable hook-up to a USA-630 & the radio controls all of the functions of the CD changer.

Standard features include:

- 16 Bit Twin D/A Converter
- 3-Beam Laser Tracking
- 16' of Cable & All Required Mounting Accessories
- 8x Oversampling Digital Filter
- Advanced Anti-Vibration System

SECRET AUDIO

This SA-2 model is perfect for the show enthusiast. It allows you to leave the original radio in the dash & still get digital quality sound using the wireless remote that can control the radio from up to 40' away. This radio offers all the features listed below plus 200 watts of power. The main receiver is hidden under the seat, or wherever you choose to put it, while the remote controlled LCD screen is flush-mounted or swivel-mounted (optional) out of sight. Being only 1" thick allows you to mount it almost anywhere, such as the glove box, ashtray, sun visor or console.

SA-2 features:

- AM, FM stereo
- 4-way fader
- Separate bass & treble
- Seek & scan tuning
- Flush remote mounted LCD bezel
- Optional swivel mount for LC control unit
- Dual RCA pre-out
- 12 AM, 18 FM pre-set stations
- Optional CD changer (on our USA-CD10 CD player on previous page) controlled by wireless remote or remote mounted LCD panel.

64-73 SA-2 with remote. SA-2 304.95

Dual Front Speaker Assemblies

Since you don't want to cut holes in your doors or kick panels for speakers, we have the perfect solution: two speakers mounted to a bracket that will drop into your original dash speaker opening with no modifications at all!

These assemblies are pre-wired to "plug-in" instantly to our radios. Want the best possible sound from your original speaker location? Upgrade to our dual voice coil speakers. They have 70% more cone area than our standard speakers & that gets you better bass response & 140 watt power handling capability. Each speaker has dual tweeters for crisp clear highs to make your favorite radio sound like it should.

68-71 These will only fit cars without A/C . . 18808-1001 30.95

68-71 140 watt capability, these will only fit cars without A/C 18808-3001 47.95

Undercover Stealthspeaker

If you want dual speakers for your classic but don't know where to mount them, we offer two excellent solutions. The original design Stealthspeaker, with its 5-1/2" woofer & single Piezo tweeter, can handle 120 watts. Housed in an ABS enclosure that is only 3" thick x 8-1/4" tall x 11-1/4" wide, they will fit virtually anywhere.

For those who want the deepest full bass sound, upgrade to our new Stealthspeaker2. A bit larger at 3" thick x 11" tall x 12-1/2" wide, it is able to handle up to 200 watts. This version adds a second Piezo tweeter for cleaner, crisper highs plus a larger 8" woofer for greater bass response.

Whichever you choose, remember that both are designed specifically for under seat or horizontal "wall" installations to give you a myriad of options as to where you can place them. Call us today to give your favorite music full stereo sound with the original Stealthspeaker or even greater clarity & definition with the new Stealthspeaker2.

ALL	Original Stealthspeaker.	18808-5000	124.95 pair
ALL	Stealthspeaker2	18808-6000	149.95 pair

iPod® Connector

This connector plugs into the back of our USA-1 & USA-630 radios & is compatible with any iPod that has a bottom dock connector. Simply plug in your iPod & you have a choice of controlling song selection using the buttons on the radio or the thumbwheel of your iPod. Never go out without your choice of music again!

ALL	iPod connector, plugs into any USA-1 or USA-630 radio for a direct connection producing CD-quality sound, includes an 1/8" stereo jack for additional auxiliary input	18806-IPOD	124.95
-----	---	------------	--------

USB Connector

If you have a thumb drive with all your favorite music stored on it, we have great news for you. With our simple connector plugged into the back of one of our USA-1 radios, you can now plug in your thumb drive & play all of that music thru your car stereo. In fact, any portable music device with a USB connection can be a source for music playing thru your car stereo system.

ALL	USB connector, includes a high-quality MP3 decoder, plugs into any USA-1 radio for a direct connection producing CD-quality sound, also includes an 1/8" stereo jack for additional auxiliary input	18806-USB	222.95

Master Body Hardware Kits

These master body hardware kits include all hardware to attach the sheet metal on your Fairlane. All fasteners are of the correct grade & finish specified by Ford & include all of the original manufacturer markings & details. Why try to use generic, "one-size-fits-most" hardware, or re-use rusty, 35-year-old nuts & bolts? Work smarter, not harder!

Our Master Kits include individual bags with instructions for attaching the following parts:

- Battery tray
- Grille & supports
- Front & rear bumper guards, brackets & pads
- Headlight doors
- Cowl braces
- Quarter panel extensions
- Door hinges & latches
- Stone deflector
- Front suspension bumpers & brackets
- Floorboard hole covers
- Hood & hinges, bumpers, latch & catch, latch support
- Trunk latch & striker, lock & hinges
- Fenders, extensions, pillar brackets, splash shields
- Front & rear valances splash shield brackets

1962-1969 Engine Hardware Master Kits

These engine hardware master kits contain original-equipment style hardware that was used to install the under-hood components on your engine. Why try to use generic, "one-size-fits-most" hardware, or search the junk yards for rusty, 35-year-old hardware? Master kits include O.E. hardware to attach all the following items: air cleaner, carburetor, crankshaft pulley, distributor, engine tag, exhaust manifolds, fuel pump, heat shroud, ignition coil, intake manifold, oil filter adapter, oil pan, timing cover, valve covers, water neck & water pump. 1964-1965 kits include exhaust lock tabs; 1966 & later year kits have Ramp-Lok bolts. Also, all small-block kits listed (V8 289 & 302) include a detailed water pump bolt placement illustration.

Shop Manuals

The following manuals are the comprehensive sources on all aspects of servicing parts, assemblies & major systems of the Ford Fairlane & Torino. Ford Motor Company sent these to their dealerships to instruct mechanics how to remove & replace most major components on new cars. These are correct reprints of those original shop manuals. Each manual outlines procedures for replacement, adjustment & troubleshooting, from essential systems like transmissions, brakes & suspension, to instrumentation & accessories. These manuals make life easier for the do-it-yourselfer, if you don't have one, you need to order one today!

Reprints for Reference (not display-quality)

- 1962 **Ford Fairlane & Fairlane 500 Shop Manual**, 376 pages, illustrated BK562SM 33.95

Concours Quality for Display

- 1965 **Fairlane Shop Manual**, 698 pages with illustrations & schematics BK892E 44.95
- 1966 **Fairlane Shop Manual**, 786 illustrated pages with highly detailed technical drawings BK848E 44.95

- 1973 **1973 Car Shop Manual, Volume 6: Engine & Emission System Diagnosis**, 174 pages with technical illustrations & diagrams BK1SM73ENG 10.95

Shop Manuals on CD

Now you can have a page-by-page reproduction of the factory shop manual on a CD. Slip it into your computer, find the section you plan on working on & read thru it, all in the comfort & convenience of your own home. When you are ready to do the work, simply print out the pages you'll need & take them out into the garage with you. You don't have to lug around a heavy shop manual, plus you don't have to be concerned with a page getting greasy—if it does, just print out another one. Imagine having a wiring diagram on a single sheet of paper. You could tape it to the hood, the firewall, or inside the car, tape it to the dash—try doing that with a shop manual. Really, this is the best of both worlds. Every illustration, every diagram, every troubleshooting chart can be had in mere seconds by just pushing print. So give us a call, or go online & order one today! Windows operating system only.

Ford Road Series

Authored by Ray Miller, these books track each model from drawing board to showroom to customer. Overflowing with black & white photos of the cars, Ray documents styling changes from year to year & shows optional equipment & differences in trim. The Ford Road Series is the most thoroughly informative—and most intensely illustrated—reference collection available for these cars. With the masterful photography featured on the covers, these books are not only prolific in their information; they are also beautiful showpieces for the Concours or the coffee table.

- 09-27 **From Here to Obscurity**, 293 pages, 950 pictures, hardbound, the final word on Henry's Model T 128 38.50

GoBoxes

Here's a novel idea – totes in the shape of the Ford oval & available in either steel or canvas. These new "carry-alls" measure 26" wide x 10" high x 7" deep. The steel GoBox is constructed from 20 gauge steel with a long-lasting, chip-resistant, powder coated finish. It's available in either blue or black & complemented by a white Ford logo. Sturdy latches keep it closed & a comfortable handle makes it easy to carry. The canvas GoBox is crafted from heavy-duty nylon/polyester & features an embroidered Ford logo. Elastic straps inside will keep bottles or cans upright; built-in loop handles outside make it easy to get a grip & a removable shoulder strap keeps your hands free for other things. So, stuff it full of car care products, tools, or anything else you might need to take with you. You could even be creative & turn it into a cooler! They look good, are easy to carry & let everyone know that Ford is your brand. Call for yours today!

SEAT BELTS

Seat Belts

If you haven't already installed seat belts in your classic ride, we highly recommend it. Our universal style seat belts feature a chrome lift latch & are available in 10 colors to match almost any interior. Sold per passenger, each belt includes washers, bolts, nuts & basic instructions on how to install. The 60" size is standard, for a little extra breathing room, order the 74" length. These seat belts do not include instructions on where to mount. Proper installation is at the risk & responsibility of the customer.

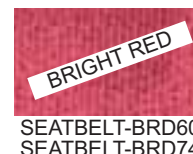

Seat Belt Ordering Instructions:

The part numbers for each color are located under the color swatch, with corresponding numbers for length (ex: SEATBELT-BLK60, is for the 60" belt, while SEATBELT-BLK74 is for the 74" belt).

- ALL 60" Belts 23.95

- ALL Black with black wrinkle finish buckle, 60" long. SEATBELT-BB60BLK 36.95
- ALL Black with black wrinkle finish buckle, 74" long. SEATBELT-BB74BLK 37.95

- ALL Seat belt retractors, want an easy way to keep your belts from falling out of the car & onto the ground, or getting tangled up in your legs? Simply clip on one of our retractors & your problem is solved. The next time you unbuckle your seat belt the roller will take care of getting it out of the way neatly & quickly. This is a great solution to a common problem. Call for yours today! SEATBELT-CLIP 24.95 pair

Car Cover Details

When the "season" is over & you want to protect your car, MAC's custom fitted covers are the way to go. Whether your car is indoors or out, we have the right cover for you!

Poly-cotton Car Cover—1

Poly-Cotton is a durable blend of polyester & cotton. Our most economical cover offers a polyester outer layer that is sun & water resistant with a soft cotton underside that will be gentle on your paint job. Available in grey.

Technalon-2 Car Cover—2

Technalon-2 is made of evolution 4 fabric from Kimberly-Clark. If your car will set out in the elements you really need this cover. Its 4-layer polypropylene construction offers you all around weather protection & is the reason this cover is used by car enthusiasts around the globe. Another benefit is the 4-year warranty period, the longest in its class. Available in grey.

Tan Flannel Car Cover—3

Tan Flannel is the best that money can buy, giving you maximum paint protection with its soft, napped flannel underside & its breathable, water-resistant outer layer. Premium indoor storage deserves a premium car cover! Available in tan.

Neoprene elastic sewn in front & rear hems.

Durable, double-stitched, overlapped seams.

Fuel Stabilizer

The ideal formulation to add to the gas tank when storing vehicles for extended periods. It not only prevents varnish & tank corrosion, it has a no alcohol formula & will not attack rubber lines or diaphragms, as many other fuel stabilizers do. This is the best product on the market & our customers swear by it. Call & order yours today!

- ALL One quart bottle, one ounce of this product will keep 3 gallons of fuel fresh for at least 3 years RSP101 * 28.95 qt

AccuMate® Power Charger

Nothing is worse than pulling your car out of storage & finding out your battery is dead. MAC's has a way to keep that from ever happening again, our AccuMate® Power Charger. AccuMate® is an advanced fully automatic battery charger & maintainer for all 6 & 12 volt lead-acid batteries. It will bring your battery up to a full charge & then go into standby mode. If your battery goes below a pre-determined level, the charging process is immediately restarted. Since it operates on normal 110-volt household current & only costs pennies to operate, plug it in & forget about it. From now on, your battery will always be ready.

- ALL AccuMate® Power Charger, 2-year factory-backed warranty 10655-TEND 64.95

Wheel Dolly Set

Have you ever wanted to push a car sideways to get it out of the way? If that car was on one of our new Auto Dolly sets, you could! Each Auto Dolly is constructed from 1/4" thick steel for extra durability & long life. The tough polyurethane casters turn on top-quality ball bearings to make for smooth rolling, even on rough surfaces. With each dolly carrying a load rating of 1500 lbs., you can move a 6000 lb. car or truck easily & safely. This is a "tool" every restorer should have, call for yours today!

- ALL 4-piece set, 12" wide, red painted finish ACC-DOLLY-12 159.95 set

Fender Grippers

MAC's presents the ultimate in a fender cover, The Fender Gripper. Created to solve the problem of fender covers sliding off the car, it is made up of a non-slip, soft & pliable yet strong, PVC material. It is fully washable & impervious to motor oil, gasoline, carb cleaner & transmission, power steering & brake fluids. Its size, 22" x 34", is perfect for your fenders. The grippy surface keeps your tools in place too! Call us today to place your order.

Kanberra Gel

Dampness & temperature fluctuations inside your classic auto provide a permanent breeding ground for mold & fungus. The airborne spores attack & feed on cellulose & other organic material in the vehicle, also causing bad odors. Kanberra gel is an all-natural odor eliminator, perfect for off-season storage of your vehicle. It can even be used in your home! It purifies & protects, by eliminating mold, mildew, fungus & bad odors. How it's used:

- Remove the lid & place the container on the center console or floor. All compartments & the glove box should be left open to ensure the active vapor from Kanberra Gel can reach all areas. Keep all doors & tops closed so the vapor is not blown out.
- Leave Kanberra Gel to work for at least three weeks during storage. The effects last around 3-4 months.

- ALL **NEW** 2 oz., use in 2 seat vehicles & trunk. KG2 15.95

* **HAZARDOUS MATERIAL**—can only be shipped by ground within the U.S. because of safety regulations.

After many years of serving Ford restorers, we have gained a great deal of experience in learning which tools, accessories & supplies are commonly needed. This experience has lead us to be able to offer premium quality items which match the needs of our customers. We have used & evaluated all the items in this section ourselves & are satisfied that they are perfect for use by other Ford enthusiasts. Try them yourself, you are bound to be pleased.

Tools

- ALL **NEW** Tool set, 5 pieces, constructed from heavy-duty plastic with a chisel edge that's perfect for getting behind trim, moulding & emblems, makes scratch free removal easy & quick TOOL-TRIM 14.95 set

- ALL **NEW** Brake spring pliers, for removing & replacing brake springs TOOL-2035 24.95
- ALL **NEW** Beaded tip windshield tool, used to adjust seal edges without puncturing or tearing, clean trim & glass grooves or access hard to reach places RSP254 15.50

- ALL **NEW** Door panel tool, stamped steel, simply slide this specially designed tool behind your door panel & it will pull the trim panel clip out without damage to the panel TOOL-23942 9.95
- 62-64 **NEW** Tool, used to safely remove the windshield wiper pivot shaft nut C1AZ-17514-TOOL 17.95

- ALL "C" clip tool, used to remove door & window crank handles, just slip it between the handle & the door panel & its special design will release the "C" clip TOOL-22600 6.95
- ALL Hog-ring pliers, beware of cheap imitations, these are professional quality with vinyl covered handles, they are used to attach seat covers to the seat frames T4407U 25.25

- ALL Suction gun, for changing differential oil . . M3412 13.25
- ALL Teflon tape, use on the threads of the oil pressure & water temperature senders, 3/4" wide x 260" total length TAPE 1.95 roll

- ALL Headliner installation tool, deluxe model. TOOL-13575 22.95
- ALL Headliner installation tool, standard model TOOL-7672 10.95

- ALL Stud extractor, for those rusted in, impossible to remove, exhaust studs X6065 38.75
- ALL Piston ring compressor, can be used on up to a 5" bore X6151 12.50
- ALL Bearing packer, use this handy tool to pack bearings the way professionals do X6150 9.50

- ALL Seal puller, remove seals the right way, includes two interchangeable tips X1175 9.50

- ALL Light bulb pliers. TOOL-BULB 22.50

- ALL Hook tool. used to adjust seal edges without puncturing or tearing, clean trim & glass grooves or access hard-to-reach places, also great for burnishing curves & odd shapes. . . . RSP254 15.50
- ALL Front hub grease cap installation tool TOOL-1131 11.95

Glass & Windshield Supplies

- ALL Quick release agent, makes removal of windshield & back glass easier by softening & dissolving the old adhesive, 14 oz. spray can RSP958 * 14.95

- ALL Hook tool, used to install windshield & back glass seals RSP253 10.95

- ALL Windshield setting tool, made of tough nylon so it cannot scratch or chip glass . . . RSP216 1.50

- ALL Silicone glass sealer, clear, 10.3 oz. cartridge RSP408C 9.75

- ALL Silicone glass sealer, black, 10.3 oz. cartridge RSP408BL 9.75

- ALL Instant bond adhesive, works on everything, even rubber & foam!, .01 gram bottle . 11067-2 2.95

Grease, Oil, Additives

- ALL **NEW** Dielectric tune-up grease, Permatex brand. Get protection from salt, dirt & corrosion with just a tiny amount of this grease. It is so efficient it will prevent voltage leakage around any electrical connection. Use it in your bulb sockets & spark plug boots & extend their life too. .33 oz. RSP104 3.25

- ALL **NEW** Graphite lube, 7 oz. can, a fast-drying lubricant that forms a thin, black film providing excellent anti-friction & anti-seizure properties to surfaces, can be sprayed in any position, helps stop annoying squeaks, use on any linkage, hinges & in between the leaves on your springs. RSP105 * 7.95

- ALL Wheel bearing grease, Timken brand, 425 gram tub. GREASE 5.50

- ALL Penetrating oil, super product, we use it in our shop, 11 oz. spray can RSP13 * 4.95

- ALL White grease, water resistant, use on speedometer cables, hinges, latches, linkages & sliding parts, 12 oz. spray can. RSP19 6.95

- ALL Gas additive, Gunk™ lead substitute, enough to treat 20 gallons, reduces wear on valves & valve seats, 12 oz. container LS+ 4.95

- ALL Marvel Mystery Oil™, provides top cylinder protection to extend engine life, improve performance & increase gas mileage, 16 oz. bottle. MARVEL 4.50

- ALL Water pump grease, 14 oz. cartridge GREASE/WP 5.25

- ALL Distributor cam lube, 7/8 oz. A12210L 7.95

Strip Caulk

Commonly known as dum-dum, has a thousand uses! It's that sticky black stuff that holds your door panel weathershields on. The factory used it as a seam sealer in the trunk, on the floorboards & in the cowl area. Take off your roof rail seals & you'll find dum-dum helping to seal out water, dirt & air. Once you have some you'll never figure out how you got by without it!

- ALL 3M brand, waterproof, paintable & will not shrink 8578 15.95

Cleaners, Degreasers & Protectants

Our customers tell us this is the best polish you can buy for brass, chrome & nickel, a little goes a long, long way.

- ALL **NEW** Gas tank etch, use as a prep for your tank, before applying the tank sealer. Removes light buildup of rust from inside the tank & leaves a gray phosphate coating. 1 pint should handle up to a 30-gallon tank RSP106 * 18.75

- ALL Simichrome™ polish, 1.76 oz. POLISH 6.75

- ALL Cleaner & degreaser, spray on, let soak & wash off, 13 oz. spray can . . . RSP11 * 4.45

- ALL Glass cleaner, made especially for cleaning automotive windows, 16 oz. spray can RSP12 * 4.95

* **HAZARDOUS MATERIAL**—can only be shipped by ground within the U.S. because of safety regulations.

- ALL Use this to restore the shiny black appearance of your weathered vinyl top, 1 quart can RSP70* 33.25 qt

Specially formulated to remove ground-in dirt, grease, road grime, tar & brake dust. Safe for all surfaces like the dash, seat covers & carpet.

- ALL Armorall™ cleaner, 20 oz. pump RSP21 5.95

Convertible Top Care—MAC's tested & approved!

Combine the best cleaner on the market with our awesome protectant & your top will look great & stay looking that way!

- ALL Cleaner, Raggtopp™ brand, 16 oz. pump RSP21438 11.95
ALL Protectant, Raggtopp™ brand, for vinyl tops only, 16 oz. pump . . . RSP11415 16.95
ALL Protectant, Raggtopp™ brand, for cloth tops only, 14 oz. spray . .RSP21414* 19.95

Adhesives

- ALL Window rubber & felt glass channel adhesive, black, 3M brand, 5 oz. tube perfect for door & roof rail seals RSP28 9.25
ALL Vinyl & upholstery adhesive, 3M brand, 18.1 oz. spray can. Great for repairing rips in the door & quarter trim panel upholstery RSP29* 14.75
ALL Light-colored fast-drying vinyl adhesive, 3M brand, use as adhesive & sealer, 5 oz. tube RSP31 8.50
ALL Weatherstrip adhesive, yellow, 5 oz. tube, for spongy type seals like the trunk seal RSP89 8.95
ALL Super trim adhesive, 3M brand, 19 oz. spray can, the best adhesive for securing headliners & vinyl tops RSP79* 17.95

Gas Tank Sealer

With its ability to bond to all metal or fiberglass tanks, it will stop rust, leaks & corrosion permanently. Formulated to be resistant to alcohol & all fuels, including Phase II oxygenated types, with easy to follow instructions included, this one quart is enough to treat several tanks. Having a problem with a leaky tank? Give us a call & we'll send you the best sealer on the market!

- ALL 1 quart can RSP22A* 24.95 quart

Fuel Line Fitting Sealer

- ALL 4 oz. can RSP25 5.45

Engine Reconditioning

- ALL **NEW** Engine assembly lube, Permatex brand, adheres to surfaces preventing scuffing & galling during initial start up, great for use on engine bearings, camshafts, lifters, valve guides, rocker shaft assemblies & timing components. 4 oz. RSP103 4.50
ALL **NEW** Thread Locker, Permatex brand, .020 oz. (not shown) RSP242 6.95

Plastigage accurately measures clearance on bearing surfaces. 1 package usually does 1 car.

- ALL Plastigage™, range 0.001" to 0.003" PG1 2.25 pack
ALL Plastigage™, range 0.002" to 0.006" PG2 2.25 pack

- ALL Permatex™ Prussian Blue, for precision fitting of valve gears, bearings & other machined surfaces, .75 oz. PG3 3.75

ALL	Black wrinkle finish paint, this is sometimes used on the heater box, 12 oz.	RSP100 *	6.95

* **HAZARDOUS MATERIAL**—can only be shipped by ground within the U.S. because of safety regulations.

STOP RUST PERMANENTLY!

These products are designed to work as a complete system. When used together, these products provide a coating that will not only stop rust, but will prevent it from returning.

Here's How it Works...

Step 1—Degrease & Clean

Marine Clean™ degreaser/cleaner will remove dirt, grease, wax & other contaminants that could interfere with the restoration. Before you apply ANY rust preventive paint or coating, you **MUST** remove any oily film or residue!

Step 2—Neutralize Rust

METAL READY™ provides the best adhesion on any surface including aluminum & shiny polished metal surfaces. While neutralizing rust, it etches metal, creating an ideal anchor pattern for coatings such as POR-15, while leaving a zinc phosphate film to promote chemical bonding of paint & steel.

Step 3—Stop Rust Permanently

POR-15 is designed to be coated right onto rusty surfaces. It leaves a beautiful, rock-hard finish that won't crack, chip or peel & stops rust PERMANENTLY! The secret is in its nonporous surface. It doesn't let moisture reach the surface of the painted metal, so no rust can form. POR-15 is also flexible, so it can withstand twisting without cracking, but it has a tougher finish than ordinary paint, so it can survive what no paint can.

Auto | Farm | Marine | Industrial | Home

All POR-15 products are considered HAZARDOUS MATERIAL & can only be shipped by ground /surface within the U.S. because of government regulations.

Step #	Description	Item #	Price

POR-15® Solvent

No more hard cleanup! This solvent is specially formulated by the makers of the entire POR line to make for easy cleanup or thinning of POR-15.

Give your mouldings, bumpers, grille or any bright metal a permanent shine with Glisten PC

Glisten PC is the ultimate clearcoat for aluminum, chrome & stainless steel. Developed to enhance the shine of polished metals, it has set new performance standards in adhesion, corrosion protection, flexibility & UV stability. You can spray or brush it on, it flows out; never leaves brush marks & dries in about an hour. Once cured, it won't crack, chip, or yellow. If you want to protect your trim, Glisten PC is the product to use.

NEW

Glisten PC, gloss, pint	POR-621	34.95
Glisten PC, gloss, quart	POR-622	57.95
Glisten PC, gloss, gallon	POR-623	198.95
Glisten PC, semi-gloss, pint	POR-631	34.95
Glisten PC, semi-gloss, quart	POR-632	57.95
Glisten PC, semi-gloss, gallon	POR-633	198.95

You can achieve a brilliant finish on all metals with an application of Glisten PC, but to really maximize that shine, treat it to a coat of Metal Prep beforehand. Metal Prep is required when working with brass, copper, or aluminum because it gives the Glisten PC a better surface to adhere to. The results will speak for themselves. Get yours today!

Metal Prep, 20 oz	POR-641	13.95
Metal Prep, gallon	POR-642	35.95

Always wear gloves when working with these products!

Topcoats

These topcoats are specially formulated to work with POR-15. They are non-UV sensitive, highly flexible, nonporous & extremely scratch & chip resistant, just like POR-15.

CHASSIS COAT BLACK™ top coat dries to a satiny semi-gloss that is correct for most 1950s & newer car & truck frame & suspension pieces.

BLACKCOTE™ top coat is the glossy black used on car or truck frame & suspension pieces in the early fifties & before.

METAL MASK™ top coat is a super tough coating that looks just like bare metal. Now you can protect your steering box, spindle, leaf springs, coil springs, master cylinder & anything that requires a bare metal finish.

Primer

If you choose to use a non POR topcoat over your POR-15, it is recommended that you first apply **TIE-COAT PRIMER™**. No need to rough up or de-gloss the POR-15 surface. Apply the TIE-COAT PRIMER™ & you are ready for the paint of your choice.

Vinyl Protectant

Lasts for Months, not Days!

POR-15 has developed a vinyl protectant that outperforms all the rest, **BOSS GLOSS™**. The key to the difference is a greater percentage of solids in this formula. They make it work better & last longer than those popular national brands. You'll only have to use this product once to see the difference.

High Temperature Topcoats

We carry high-tech coatings that can withstand high temperatures from 1200° to 1400° F. They resist cracking, chipping & peeling & won't burn off. They can be brushed or sprayed on.

No Burning or Discoloration

Steering Wheel Restoration

You can bring that cracked steering wheel back to it's original beauty with our new POR-15 Steering Wheel Restoration Kit. We give you everything you need to get the job done. Can be used on dash & shift knobs too!

Each kit includes the following:

- Marine Clean Spray Cleaner
- Contoured Sanding Block
- Red Scuff Pad (360-400 grade)
- High Gloss Polishing Compound
- Polyester Primer & Surfacer With Hardener
- Spray Bottle/Cartridge for Primer & Enamel
- Gray (600-800) Scuff Pad Sandpaper
- Detailed, Illustrated Instruction Book
- Steering Wheel Sanding Board
- POR Epoxy Putty
- Surgical Latex Gloves
- Saw, File & Drill Bit
- Tack Cloth

A Must for Restorers

Seam Sealer

This is the ultimate filler & seam sealer! **POR-PATCH™** is a highly concentrated paste form of POR-15, available in a tube. It dries hard as a rock, but remains remarkably flexible. Once dry it is totally impervious to fuels & solvents. With its applicator tube & thick consistency, it's perfect for seams & holes. Its incredible formula allows you to bond steel to plastic, wood, or concrete!

BD Drinkster Console

One of the most practical products we've ever offered—the BC Seat Cruiser—is now available in a new, slightly smaller size. Compared to the original BC Cruiser, the BD Drinkster is slightly smaller (see size comparison chart below), allowing you a bit more hip room. Slightly smaller but just as useful! Both have a softly padded hinged top that opens to reveal a spacious storage compartment & a sewn-in strap that allows you to secure the console to the seat. Available in a dozen beautiful colors.

Nodders

MAC's has a great assortment of nodders & toppers. Spice up your next ride or cruise night by adding one of our friends to the interior or exterior of your car.

Hula Girl—7 1/2"

This attractive 7-1/2" tall ceramic Hula figure attaches to the dashboard of your car with double-sided foam tape—her hips swaying to the rhythm of the road. She's playing a ukulele & wearing a bright flowing skirt.

NODDER-HULAGIRL 9.95

NODDER-HULAGIRL

NODDER-HULAGIRL2

Hula Girl 2—5 1/4"

Here's an affordable, hard vinyl version of our swaying Hula Girl. She stands 5-1/4" tall, with a flowing "grass" skirt & spring action hips. Double-sided foam tape is included for attachment to your dashboard.

NODDER-HULAGIRL2 5.95

Antenna Toppers

The "hottest" antenna toppers around! Durable, plastic construction, rubber inserts & wind resistant vinyl flames make these guys look great on any classic ride. Our Rat Fink even has glow-in-the-dark eyes!

SIGNS OF THE TIMES

Shout your Ford allegiance from the rooftops—or at least from the walls—with these powder-coated, nostalgic signs for your home or garage. Made of 20-gauge metal, these vibrantly colored “throwbacks to yesteryear” have holes for easy mounting & some of them come with their own cast iron hangers (example shown left). Available in different sizes & double or single-sided, there's no better way to show devotion to your Ford.

Double-sided, with hanger, 27" x 20"
SIGN-FOMOCO-DBL 133.95
 Single-sided, 27" x 20"

FORD DATA PLATE INFORMATION

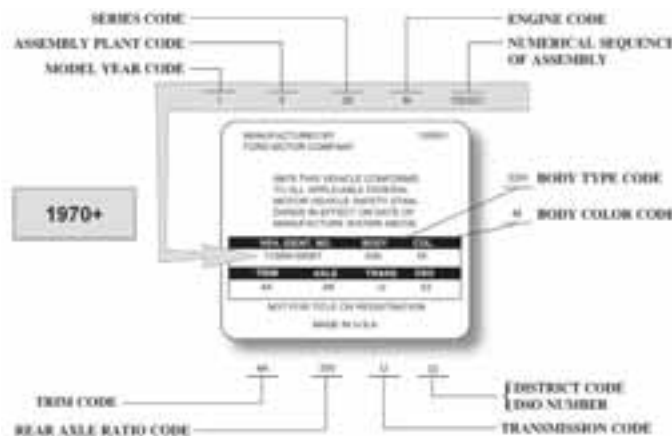

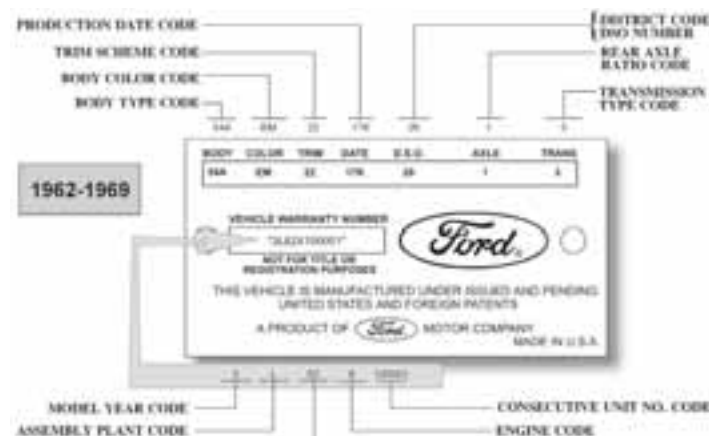

Warranty Plate Information

Vehicle warranty number or identification number:

Understanding the codes on your warranty plate can make it easier to order the correct parts for your car. This information includes the vehicle warranty number and miscellaneous vehicle data. For detailed

explanations of these codes in your 1970 & older vehicle order Catalog of American Car ID Numbers, 1970-1979, part number BK38518, listed in the Books & Manuals section of this catalog.

Warranty Plate Location:

Rear face of the left (driver's side) front door

Model Year Code:

The first character = last digit of model year:
"5" = 1965 or 1975; "2" = 1962 or 1972; "8" = 1968 & so on.

Assembly Plant Code:

The second character = assembly plant where the car was manufactured,

A = ATLANTA	B = OAKVILLE
C = CHESTER	D = DALLAS
E = MAHWAH	F = DEARBORN
G = CHICAGO	H = LORAIN
J = LOS ANGELES	K = KANSAS CITY
L = LONG BEACH	M = MEMPHIS
N = NORFOLK	P = TWIN CITIES
R = SAN JOSE	S = PILOT PLANT
T = METUCHEN	U = LOUISVILLE
W = WAYNE	X = ST. THOMAS
Y = WIXOM	Z = ST. LOUIS

Series & Body Codes:

The 3rd & 4th digits are used to identify body type. This is not the same code used on the body/color/trim line. For a detailed explanation of these codes, order the catalog of American car ID numbers. Listed above, or see the books & manuals section of this catalog.

Engine Codes:

The 5th character identifies the engine originally installed in the car. For a detailed listing of these codes, order the catalog of American car ID numbers, listed above, or see the books & manuals section of this catalog.

Body:

Body type codes

50 = 4-Door Sedan	63 = 2-Door Hardtop
53 = 4-Door Pillared Hardtop	64 = 2-Door Sedan
54 = 4-Door Sedan	65 = 2-Door Hardtop
57 = 4-Door Hardtop	71 = Station Wagon
58 = 4-Door Sedan	75 = 4-Door Hardtop
59 = 2-Door Station Wagon	76 = Convertible
62 = 2-Door Sedan	77 = Station Wagon

NOTE: Letter after body type numbers denotes trim level of your car.

Body Color Codes & Trim Scheme Codes:

Color = paint color. Trim = interior color & fabric.

Production Date Code or Date of Manufacture:

1960-1969: Date is listed by date (number) & month (letter):

A = JANUARY	G = JULY
B = FEBRUARY	H = AUGUST
C = MARCH	J = SEPTEMBER
D = APRIL	K = OCTOBER
E = MAY	L = NOVEMBER
F = JUNE	M = DECEMBER

1970-1972: Month & year are indicated numerically before Safety Standard Certification Statement.

(Example: July 1970 = 7/70, March 1971 = 3/71 & so on.)

DSO, Rear Axle & Transmission

DSO = District Sales Office. Axle = Rear Axle Ratio & indicates limited slip or conventional axle. Transmission indicates the type of transmission originally installed on the car. For a detailed listing of these codes, order the Catalog of American Car ID Numbers, listed above or see the Books & Manuals section of this catalog.

**SORRY,
NO SUNDAY OR
AFTER-HOURS
SALES**

When possible, place your order in advance & advise us when you plan on picking it up. It will help us & save you time!

If you are traveling any distance, we suggest you phone ahead to verify parts availability & store hours.

Call (800) 777-0948 to Place Your Order, or Order Online at macsautoparts.com

Shop online TODAY for our selection of more than 75,000 parts for your vehicles!

Ordering:

Manera de engargar: Pour commander un ordre:

We will accept orders for parts that are listed in our catalog. Orders should be filled out completely on our regular mail order form, mailed, faxed or phoned in. Fill in all the information requested.

Shipping:

Embarque: Pour expédier l'embarquement:

Parts can be sent air mail. Also see "Alternate Shipping Information" below.

Weight:

Peso: Le poids:

In general, almost all countries will accept individual packages weighing up to 22 pounds. Many countries will accept packages up to 44 pounds. We will package your order in the required number of containers to meet these requirements.

Size:

Dimensiones: La dimension:

The size limits are determined by the U.S. Postal Service, not the customer's country. In general, the greatest length cannot exceed 42 inches. The total length & girth combined cannot exceed 79 inches.

Insurance:

Seguros: L'assurance:

Air Mail Insurance is available for most countries. Individual countries have different maximum insurance limits. Insurance limits apply to each individual package, not the total order if in more than one package. All packages are automatically insured for the value of the contents where insurance is available.

Customs:

Derechos de aduana: Bureaux des douanes:

Customs forms are required for all packages being sent from the U.S. We will automatically fill out & attach the required forms. The customer is responsible for paying all duties, fees & taxes levied by their country. Values will not be altered on Customs documents.

Postage:

Derechos de correo: Frais de poste:

All postage fees charged by the Postal Service are based on actual weight. As a means of estimating the postage required, we have devised the chart below. These are estimated amounts. Actual postage will be charged. Any shortage will be billed. Any excess will be held as a credit to apply to a future order—we do not give refunds on international orders.

Estimated International Postage Charges

	Air		Air
Up to \$20.00	\$24.00	\$40.01 to \$60.00	\$40.00
\$20.01 to \$30.00	\$32.00	\$60.01 to \$100.00	\$44.00
\$30.01 to \$40.00	\$36.00	Over \$100.00	51%

Be sure to include extra postage for heavy or bulky items.

Other Charges:

Derechos adicionales: Les honoraires supplémentaires:

In addition to the postage charges above, there are two other charges, which are explained below.

Boxing Fee:

Derechos de empaquetar mercancía:

Les honoraires pour l'emballage:

International shipments require special boxing & wrapping, as well as the preparation of customs documents. To simplify things, we have

established a minimum fee of \$3.00 or 5%, whichever is greater.

Please add this to the above postage charges. Also include special fees for parts listed in the catalog.

Bank Collection Fees:

Derechos de banco: La collection des honoraires par la banque:

If your form of payment does not meet the Banking Requirements listed in the Payments Section, our bank will charge a collection fee. This fee is explained in the Payments Section. The fee is the exact amount of the bank collection fee. These fees are normally between \$15.00 & \$30.00.

Payments:

Maneras de pagar: Les paiements:

All payments must be in U.S. dollars. Cash, in the form of U.S. dollars, is sent at the customer's risk. All checks, money orders or drafts must be payable on an U.S. bank & have U.S. Federal Reserve Routing Numbers. These are special numbers used by the U.S. Banking System. If you cannot obtain this type of check from your bank, please include the Bank Collection Fee listed above in the "Other Charges" section. Full payment, including postage & other charges, must be included with your order. There are no open accounts or credit extended.

Credit Cards:

Cartas de crédito: Les comptes crédites:

We accept Visa, MasterCard, American Express, Discover & Diner's Club. Please check to be sure the cost of your order does not exceed your credit card limits. All card charges are computer authorized prior to shipping. Shipment will not be made if authorization cannot be obtained.

Address:

Direccion: L'adresse:

Please be sure you have included your complete address on the order form. It must include everything required for delivery in your country, including your postal code. Anything that will help insure delivery should be included. If you have a telephone, the inclusion of its complete number is required. Also include the name of the nearest international airport.

Alternate Shipping Information:

Otras maneras de embarque:

L'information relativement à autre expédition:

Upon special request, small packages will be shipped by Express Mail. Double the shipping rate amounts shown in the Postage Chart if you want your package sent Express Mail. The fee schedule is quite expensive & should be considered only if speed is essential or the ordered items are too big for Air Mail. UPS Air Service is also available; rates vary greatly by destination.

The fee schedule for Air Freight is too complex to provide estimates. The fee is based on a combination of weight, volume & destination. We DO NOT ship by Ocean Freight. Crating costs, shipping costs & other problems preclude the offering of this service.

Catalog Requests:

Any request for a catalog not accompanied by an order requires \$5.00 per catalog to cover postage costs. If the catalog is requested with an order, it will be included in the package at no charge.

MAC's Antique Auto Parts

1962-70 Fairlane/1968-71 Torino Catalog • 2009-10

GENERAL INFORMATION -- All items in this catalog are good quality new, rebuilt, or new old stock (N.O.S.).

MINIMUM ORDER -- While there is no minimum order, on orders totaling less than \$20.00 in parts, prior to shipping & handling, there is a \$2.00 minimum order fee. This minimum order fee attempts to cover some of the costs that we-and all suppliers-incur when processing/handling your lower dollar order. Even with advancements in direct shipping from the manufacturer, or their warehouse, there is still extensive paperwork and follow-up involved.

ORDERING INSTRUCTIONS -- All orders are shipped by United Parcel Service (UPS). Parcel Post shipping in the U.S. is by request only or to addresses without street addresses. Oversize orders shipped by truck will be shipped Freight Collect. On all orders outside the U.S., please see the International Information Page. UPS weight limit in the U.S. is 150 lbs. Parcel Post weight limit in the U.S. is 70 lbs. C.O.D., MasterCard, Visa, Discover, American Express/ Diners Club and mail orders accepted. C.O.D. orders in U.S. only! C.O.D. ORDERS ARE CERTIFIED CHECK, BANK CHECK, OR POSTAL MONEY ORDER UNLESS PRIOR ARRANGEMENTS ARE MADE. UPS WILL NO LONGER ACCEPT CASH COD PAYMENTS. On credit card orders, we need your card number and expiration date. NEVER PHONE IN AN ORDER FOR WHICH YOU WILL BE MAILING A CHECK. Any returned check is subject to a \$35.00 fee.

INTERNATIONAL SHIPPING -- All shipping outside continental U.S. is made by air Parcel Post. Weight and size limits vary depending on the destination. Express mail and air freight can be used by request if available. Customs forms are required on all shipments, and all customs documents require full declared values. All payments must be payable to a U.S. bank. See International Shipping Page in this catalog for further details. We do not ship by ocean freight.

PRICES -- All prices in the catalog are subject to change without notice. We try to keep our prices as low as possible and hold price changes to a minimum. Prices may be given over the phone, but these are current prices at the time of the request, and are not to be considered quotes.

BACK ORDERS -- All items are shipped promptly, **except** where noted "Special Order," or "Exchange Only." We will back order if the item is not in stock but is expected within 21 days. Anything can be back ordered by request. It is the customer's responsibility to keep track of back orders. The shipping charges remain the responsibility of the customer for any duplicated back orders or orders refused because they are no longer needed. If a back order is no longer needed, be sure to cancel it and avoid unnecessary shipping charges. All packages (including back orders) will incur individual shipping charges.

RETURNED GOODS -- Parts may be returned with a valid reason within 30 days. Please write, call or e-mail us BEFORE returning anything, state your reason for return. On any returned items which are not damaged or defective, a 12% restocking fee might be charged. When returning an item, please be sure to ENCLOSE A COPY OF THE ORIGINAL SALES INVOICE. Returns will not be processed without a copy of the invoice. All returned items must be prepaid. Our liability is limited to the purchased price paid—with no liability for consequential damage or losses. For no reason will returns be accepted after one year.

DAMAGED/ MISSING GOODS -- If merchandise was damaged in shipping, or parts are missing, immediately notify the carrier and file a claim. DO NOT DISCARD THE SHIPPING CONTAINER OR THE MERCHANDISE. Following this, call or write for further instructions.

PAYABLE TO -- Money orders, bank drafts, and checks should be payable to: MAC's Antique Auto Parts. U.S. funds only. New York State residents include proper sales tax applicable to your city or county. We cannot accept international personal checks.

TOLL FREE PHONE ORDER INSTRUCTIONS -- Before calling, completely fill out the Order Form, and have all your order information ready and organized.

TOLL FREE PHONE & PHONE HOURS -- Toll Free Phone 800-777-0948 (within U.S. and Canada) is personally answered between 8:00 AM & 11:00 PM Eastern Standard Time Monday through Friday, and 8:00 AM-5:00 PM Eastern Time on Saturday. After hours, our phone system will take your order for a catalog or parts. There is no charge to you for this call, and you can get your parts faster at less cost. The MAC's Fax Line 716-210-1370 is open 24 hours a day. Also, our Web site (macsautoparts.com) is always available. For local calls and from outside the U.S., please call 716-210-1340. BE PREPARED WHEN PHONING IN YOUR ORDER. We need the part number, description, quantity desired, and all the needed customer information.

REFUNDS -- All refunds are issued approximately 7 days after shipping unless items are back ordered, in which case the refund, if any, will be issued approximately 7 days of the processing of the last back ordered item. Checks must be cashed within 6 months. A replacement fee of \$10.00 will apply to all uncashed or lost checks.

BOXING FEE -- There is a \$2.00 boxing fee added to each order.

SHIPPING FEES -- These are shown in the chart on the Order Form. They are estimated only, and actual charges will depend upon weight and destination. ALWAYS INCLUDE EXTRA SHIPPING FOR HEAVY OR BULKY ITEMS. Excess amounts will be refunded. See International Shipping Page in this catalog for details on foreign shipping costs.

NEW YORK STATE SALES TAX -- All parts picked up at our store or delivered in N.Y. State are subject to the N.Y. State Sales Tax regardless of where you live, unless you have a N.Y. Resale # or Exempt # ON FILE at MAC's. Tax is calculated on the total of your order, including boxing and shipping.

MAILING ADDRESS -- MAC's Antique Auto Parts, PO Box 238, Lockport, New York 14095-0238.

SHIPPING ADDRESS -- MAC's Antique Auto Parts, 6150 Donner Road, Lockport, New York 14094.

MAC's Antique Auto Parts

1962-70 Fairlane/1968-71 Torino Catalog • 2009-10

GENERAL INFORMATION -- All items in this catalog are good quality new, rebuilt, or new old stock (N.O.S.).

MINIMUM ORDER -- While there is no minimum order, on orders totaling less than \$20.00 in parts, prior to shipping & handling, there is a \$2.00 minimum order fee. This minimum order fee attempts to cover some of the costs that we-and all suppliers-incur when processing/handling your lower dollar order. Even with advancements in direct shipping from the manufacturer, or their warehouse, there is still extensive paperwork and follow-up involved.

ORDERING INSTRUCTIONS -- All orders are shipped by United Parcel Service (UPS). Parcel Post shipping in the U.S. is by request only or to addresses without street addresses. Oversize orders shipped by truck will be shipped Freight Collect. On all orders outside the U.S., please see the International Information Page. UPS weight limit in the U.S. is 150 lbs. Parcel Post weight limit in the U.S. is 70 lbs. C.O.D., MasterCard, Visa, Discover, American Express/ Diners Club and mail orders accepted. C.O.D. orders in U.S. only! C.O.D. ORDERS ARE CERTIFIED CHECK, BANK CHECK, OR POSTAL MONEY ORDER UNLESS PRIOR ARRANGEMENTS ARE MADE. UPS WILL NO LONGER ACCEPT CASH COD PAYMENTS. On credit card orders, we need your card number and expiration date. NEVER PHONE IN AN ORDER FOR WHICH YOU WILL BE MAILING A CHECK. Any returned check is subject to a \$35.00 fee.

INTERNATIONAL SHIPPING -- All shipping outside continental U.S. is made by air Parcel Post. Weight and size limits vary depending on the destination. Express mail and air freight can be used by request if available. Customs forms are required on all shipments, and all customs documents require full declared values. All payments must be payable to a U.S. bank. See International Shipping Page in this catalog for further details. We do not ship by ocean freight.

PRICES -- All prices in the catalog are subject to change without notice. We try to keep our prices as low as possible and hold price changes to a minimum. Prices may be given over the phone, but these are current prices at the time of the request, and are not to be considered quotes.

BACK ORDERS -- All items are shipped promptly, **except** where noted "Special Order," or "Exchange Only." We will back order if the item is not in stock but is expected within 21 days. Anything can be back ordered by request. It is the customer's responsibility to keep track of back orders. The shipping charges remain the responsibility of the customer for any duplicated back orders or orders refused because they are no longer needed. If a back order is no longer needed, be sure to cancel it and avoid unnecessary shipping charges. All packages (including back orders) will incur individual shipping charges.

RETURNED GOODS -- Parts may be returned with a valid reason within 30 days. Please write, call or e-mail us BEFORE returning anything, state your reason for return. On any returned items which are not damaged or defective, a 12% restocking fee might be charged. When returning an item, please be sure to ENCLOSE A COPY OF THE ORIGINAL SALES INVOICE. Returns will not be processed without a copy of the invoice. All returned items must be prepaid. Our liability is limited to the purchased price paid—with no liability for consequential damage or losses. For no reason will returns be accepted after one year.

DAMAGED/ MISSING GOODS -- If merchandise was damaged in shipping, or parts are missing, immediately notify the carrier and file a claim. DO NOT DISCARD THE SHIPPING CONTAINER OR THE MERCHANDISE. Following this, call or write for further instructions.

PAYABLE TO -- Money orders, bank drafts, and checks should be payable to: MAC's Antique Auto Parts. U.S. funds only. New York State residents include proper sales tax applicable to your city or county. We cannot accept international personal checks.

TOLL FREE PHONE ORDER INSTRUCTIONS -- Before calling, completely fill out the Order Form, and have all your order information ready and organized.

TOLL FREE PHONE & PHONE HOURS -- Toll Free Phone 800-777-0948 (within U.S. and Canada) is personally answered between 8:00 AM & 11:00 PM Eastern Standard Time Monday through Friday, and 8:00 AM-5:00 PM Eastern Time on Saturday. After hours, our phone system will take your order for a catalog or parts. There is no charge to you for this call, and you can get your parts faster at less cost. The MAC's Fax Line 716-210-1370 is open 24 hours a day. Also, our Web site (macsautoparts.com) is always available. For local calls and from outside the U.S., please call 716-210-1340. BE PREPARED WHEN PHONING IN YOUR ORDER. We need the part number, description, quantity desired, and all the needed customer information.

REFUNDS -- All refunds are issued approximately 7 days after shipping unless items are back ordered, in which case the refund, if any, will be issued approximately 7 days of the processing of the last back ordered item. Checks must be cashed within 6 months. A replacement fee of \$10.00 will apply to all uncashed or lost checks.

BOXING FEE -- There is a \$2.00 boxing fee added to each order.

SHIPPING FEES -- These are shown in the chart on the Order Form. They are estimated only, and actual charges will depend upon weight and destination. ALWAYS INCLUDE EXTRA SHIPPING FOR HEAVY OR BULKY ITEMS. Excess amounts will be refunded. See International Shipping Page in this catalog for details on foreign shipping costs.

NEW YORK STATE SALES TAX -- All parts picked up at our store or delivered in N.Y. State are subject to the N.Y. State Sales Tax regardless of where you live, unless you have a N.Y. Resale # or Exempt # ON FILE at MAC's. Tax is calculated on the total of your order, including boxing and shipping.

MAILING ADDRESS -- MAC's Antique Auto Parts, PO Box 238, Lockport, New York 14095-0238.

SHIPPING ADDRESS -- MAC's Antique Auto Parts, 6150 Donner Road, Lockport, New York 14094.

P.O. Box 238, Lockport, NY 14095-0238
