Hiab Moffett Truck-mounted forklifts

Load Handling & Delivery Solutions

Truck-mounted forklifts are an important asset for successful businesses throughout all industries, helping to make more deliveries in less time.

Used on one or on several trucks, this loading device offers outstanding versatility. Hiab Moffett Truck-mounted forklifts are unrivalled in performance and reliability.

Equipped with the latest features for optimised load handling they help you master typical load handling challenges:

> Faster deliveries result in improved operating efficiency and allow you to deliver more goods in less time

> No more waiting on offloading equipment/personnel on site

> Negotiate within confined areas, including one side offloadinge

> Eliminate manual handling

> Reduce product damage during transport, on-and offloading

> Deliver anytime, being entirely independent from other offloading equipment and personnel

> Pick and choose your load order as you can access and offload from any location of the vehicle

> Offer premium customer service, delivering on demand, on time, efficiently and directly to the location required

Hiab Moffett M2, The Specialist For Urban Distribution

The M2 is a highly agile machine with a low unladen weight, built for industrial and commercial applications, where machine size, weight and manoeuvrability are crucial. It handles well in the busiest and most confined conditions, negotiating busy city traffic, narrow roads, confined driveways or restricted space within depots to the final destination.

Designed for applications requiring a lift capacity of up to 1500 kg, the M2 transfers loads safely, working on paved surfaces and firm off-road conditions. With an exceptionally slim chassis, the M2 features all the strength, performance and driver comfort of the larger M-Series models.

Ergonomics

> Tinted all-weather overhead guard cover
> Spacious, open cabin design for maximum visibility and comfort
> Easy reach controls
> Comfortable pedal and steering position
> Operator friendly entry/exit with slip resistant steps and easy reach grab handles
> Smooth driving

Safety

> Maximum Visibility (360 degrees)
> Clear view mast
> Overhead Guard ROPS/FOPS tested
> Interlocking seat belt
> Flashing beacon, work lights and reverse bleeper
> LED road lights for transport on truck/trailer

Performance

> Compact and highly manoeuverable
> Excellent gradeability
> Low unladen weight
> Faster unloading
> One-side off/onloading
> Safer handling of goods

Maintenance

> Long service intervals
> IP 65 proof electrical components
> Easy access to all serviceable parts
> LED lighting for longevity and less maintenance
> Weather and corrosion resistant features include:
- Protected electrics
- Fully enclosed dashboard
- Powder-coat paint
- Nitrotec treated pins
- Dacromet-coated mast and roller chains
