Company Profile

Qingdao Everun Machinery Co., Ltd

Qingdao Everun Machinery Co., Ltd. is one of China's top manufacturers for machinery. Now we offer articulated and compact wheel loaders, telescopic wheel loaders, excavator, forklift and a wide range of attachments from our Qingzhou and Qingdao factory.

Through our distributor network, Everun has been providing reliable quality products for over 10 years. Now Everun products can be found working in 50 countries. Our wheel loader series are widely used in the fields of agriculture farming, constructions and industry.

Everun has invested heavily in research and development. All products are tested and granted CE certificate by T Ü V Rheinland and meet the European standard for Rops and Fops protection. Excellent sales service is the key to our success. Prompt and kind response from our trained service team has earned us many trusts. From pre-sales to after-sales, we offer services include recommendation, technician support and spare parts delivery.

To provide local services to Everun Overseas customers, we established Everun Europe Company in Meiningen, Germany to provide services includes spare parts stock& supply, trial run, technical training for European customers. Customers in Oceania countries could enjoy the same services provided by Everun W.A in Australia since 2018.

Everun Logistics team helps our customer to transport their machine in safe and secure way without any damage. Close to Qingdao port, we have the natural advantage to deliver your cargo safe, one time with competitive freight cost.

Everun, runs together with you forever.
